# Welcome from Headteacher John Vennart

Dear applicant,

Thank you for expressing an interest in a position at The Malling School. I hope this letter, along with the other documentation you find in the application pack and on our website, will encourage you to make an application.

It is a real privilege to be the Headteacher of The Malling School. Students, parents and staff are extremely proud of our school and the work that we do. The Malling School is a happy and caring place for young people to learn. We have fantastic facilities and an extremely talented team who are fully committed to our students. All our staff have the highest aspirations for our students and encourage them to have the confidence to believe in themselves.

We are fully committed to developing our staff at The Malling School. We have a very open and supportive strategy to improve teaching and learning. All teaching staff have regular developmental learning walks every term. Strengths and areas to develop are discussed in termly one to one meetings with line managers. We have no formal observations or grading of lessons and invest our training time into the long-term progress of all our teachers. Our strategy to improve outcomes for our students is not through short term unsustainable Y11 intervention but through continuing to improve our daily practice in every classroom for every year group. We aim to make every lesson count by challenging our students, planning carefully for misconceptions and teaching to the top.

We have a strong behaviour for learning policy at our school. All staff receive regular informal behaviour for learning training to ensure we are consistent in our application of the policy. Students are very clear around our high expectations of behaviour and attitude in every classroom. The key to the success of the policy is the proactive targeting of poor work ethic and low-level disruption by every teacher. Students that slow down the pace of learning are transferred by our senior leaders. All transfers from lessons are monitored and escalating sanctions and support are put in place for students that receive repeated transfers. We have an excellent behaviour hub that has been created to ensure that consistent support and sanctions are applied across all houses.

The leadership team ensures that all our improvement strategies are clearly communicated to staff, effectively piloted, evaluated and well thought through. Our key principle when introducing any new initiative is to ensure that there is no unnecessary workload and that it has a high impact on student progress. Staff and student well-being are extremely important to us at The Malling School and are a major part of our School Improvement Plan.

Our key work over the next two years is to improve outcomes of our students continuing to ensure that our school is a happy and caring place for young people to learn.

Please take some time to look at our website and get a feel for the kind of school we are, as we believe that fitting in with our philosophy is essential for you to be happy working at our school.

Thank you for taking an interest in our school and I hope that I have the opportunity to meet you soon.

Yours sincerely

John Vennart  
Headteacher

The Malling School

# About us

## The Malling School

We are a mixed 11-19 co-educational High School of 1,000 pupils serving the historic market town of West Malling and surrounding villages. The school is set in pleasant rural surroundings and has its own lake and extensive grounds. It was completely re-built in September 2007 and therefore has outstanding facilities.

West Malling is close to the county town of Maidstone and has excellent rail links to London and Ashford International (for the Continent).

This is an exciting time to be joining the staff of The Malling School.

Our school is increasingly becoming the first-choice school for parents. As a result, we are currently oversubscribed. We have robust behavioural systems and Developmental Learning Walks, rather than formal observations. All of which allow a teacher to flourish and do what they do best – teach!

We provide a very supportive environment in which staff can further develop their skills and we ensure every new member of staff has access to a trained coach. With close teams of teachers and non-teachers working together we take a collaborative approach to school improvement and have a shared aim of providing the very best education for our pupils.

We offer an extensive and individualised training programme tailored around training needs identified by our staff. We encourage staff to take calculated risks in striving to be the very best and will never stifle innovation. Our philosophy is one where leaders are trusted to lead and teachers trusted to teach.

# Extract from our Safeguarding and Child Protection Policy

## Introduction

The Malling School (TMS) recognise our statutory responsibility to safeguard and promote the welfare of all children. Safeguarding and promoting the welfare of children is everybody's responsibility and everyone has a role to play. All members of our community (staff, volunteers, governors, leaders, parents/carers, wider family networks, and pupils have an important role in safeguarding children and all have an essential role to play in making our community safe and secure.

TMS believes that the best interests of children always come first. All children (defined in law and in this policy as those up to the age of 18) have a right to be heard and to have their wishes and feelings taken into account and all children regardless of age, sex (gender), ability, culture, race, language, religion or sexual identity or orientation, have equal rights to protection.

Staff working with children at TMS will maintain an attitude of 'it could happen here' where safeguarding is concerned. When concerned about the welfare of a child, staff will always act in the best interests of the child and if any member of our community has a safeguarding concern about any child or adult, they should act and act immediately.

This policy applies where there are any child protection concerns regarding children who attend TMS but may also apply to other children connected to the school for example, siblings, or younger members of staff (under 18s) or children on student/work placements.

TMS recognises the importance of providing an ethos and environment within School that will help children to be safe and to feel safe. In our school children are respected and are encouraged to talk openly. We will ensure children's wishes and feelings are taken into account when determining what safeguarding action to take and what services to provide.

TMS recognises the importance of adopting a trauma informed approach to safeguarding; we understand there is a need to consider the root cause of children's behaviour and consider any underlying trauma.

Our core safeguarding principles are:

**Prevention:** positive, supportive, safe culture, curriculum and pastoral opportunities for children, safer recruitment procedures.

**Protection:** following the agreed procedures, ensuring all staff are trained and supported to recognise and respond appropriately and sensitively to safeguarding concerns.

**Support:** adopt a child centred approach and provide support for all pupils, parents/carers and staff, and where appropriate, implement specific interventions for those who may be at risk of harm.

**Collaboration:** with both parents where possible, and other agencies to ensure timely, appropriate communications and actions are undertaken when safeguarding concerns arise.

The procedures contained in this policy apply to all staff (including temporary staff and volunteers) and governor and are consistent with those outlined in Keeping Children Safe in Education (KCSiE)
