Dear Applicant

King Ethelbert is a mixed non-selective school of approximately 900 students. In the context of Thanet (Margate, Broadstairs and Ramsgate), it is one of the most popular non-selective schools each year, filled with first-choice students and long waiting lists for each year group. We have a wide range of abilities studying with us, including some students who have passed the Kent Test but want to be at their local school where they can be equally successful; such is our reputation. We were last visited by Ofsted in June 2024 and were again rated Good with the school receiving some extremely positive feedback. Particular strengths identified by Ofsted were; the positive relationships between staff and students, the school's high expectations for pupils' behaviour and the broad and ambitious curriculum delivered to all pupils.

The school's outcomes are strong consistently, but we are determined to ensure that we do not compromise the curriculum or breadth of educational experience that we offer, in order to achieve a positive Progress 8 score or increase Attainment 8. We want all of the students to be happy, confident and successful during their time here with us and use our ASPIRE values so that students know how to be successful in school.

King Ethelbert was one of the first state schools in the country to offer the International Baccalaureate Careers-Related Programme in the sixth form because it is the best post-16 educational offer in the world. We are a lead school for the IBCP and support many other schools in Kent, as well as welcoming visitors from across the world, to see what the IBCP does for our students and how we can share good practice internationally as well as locally.

The commitment to work together lies at the heart of Coastal Academies Trust. The trust began as a federation between King Ethelbert and Dane Court Grammar School in 2009 and these two schools still share a governing body. Over the last few years we have been joined by Cliftonville Primary School, Hartsdown Academy, Royal Harbour Academy and Newington Primary School. As a trust our commitment to all schools is non-negotiable. All students who attend any one of our schools are valued and important and we have a collective responsibility to all. We are committed to making Thanet the centre of excellence for education. The trust is fully invested in the continuous professional development of all its staff. We deliver bespoke leadership training to complement the new, revised NPQ programmes and give hands-on, practical experience and training to our aspiring and existing leaders at all levels.

If King Ethelbert School and the Coastal Academies Trust sounds like the place you would like to work - and you have the ambition, commitment, and passion necessary, then apply.
