Headteacher's Welcome

Amy Chitty

Thank you for your interest in the role at St Botolph's Church of England Primary School. I hope that the information within gives you an insight into our school, Aletheia Academies Trust and the unique opportunity this position offers.

St Botolph's C of E Primary School aims to provide a stimulating and varied programme of education to enable children of all abilities and backgrounds to acquire confidence, knowledge and skills within an environment of the Christian faith and practice, respecting also those from other faiths.

We have strong links with St Botolph's Church and pride ourselves on our Christian ethos and values. The 3 Rs – respect, responsibility and resilience – underpin all that we do, challenging our children's thinking, encouraging them to be valued citizens within our community and beyond. Our Christian values are interwoven into all aspects of school life, ensuring that we provide a safe and nurturing environment in which children can thrive.

As a member of the Aletheia Anglican Academies Trust, we have access to a huge range of expertise and facilities and work within a supportive network.

Our children are delightful; they behave well, have positive community values and are well supported by their parents. Our bespoke curriculum is engaging, focusing on committing learning to the long-term memory by making connections and the learning real. The overall education provided by the school clearly demonstrates that there are consistent systems and routines in place, achievement and progress are good and safeguarding procedures are highly effective.

Being part of the St Botolph's community is a special experience and one which positively shapes lives for the future.

Inspired by Jesus, helping children to become the best they can be.

PROUD TO BE
Aletheia
Academies Trust

At St Botolph's, we pride ourselves on offering our children quality education within a safe and nurturing environment. We continually strive to improve, giving our children exciting opportunities to broaden their horizons. We are blessed with fantastic grounds, large classrooms and a dedicated staff team who are always striving to improve. Our most recent Ofsted rated us as 'Good' and our Church school inspection rating is 'Outstanding'.

Our service to the school community will seek to fulfil Jesus' promise of 'life in all its fullness.' We will provide a committed and consistent approach. The curriculum will expand opportunities and widen horizons for all. Our Christian values of respect, resilience and responsibility will foster a strong sense of belonging.

The St Botolph's Curriculum has been carefully crafted to ensure that all aspects of the National Curriculum are covered and skills embedded. This curriculum also incorporates a wider learning, developing cultural capital and offering enhanced opportunities to the school community. The spiritual, moral, social and cultural development of our pupils and their understanding of the core values of our society are woven through the curriculum. The English curriculum is enhanced using the Power of Reading for writing and Accelerated Reader. The Maths curriculum is delivered using the Maths Mastery planning which enables children to develop their understanding, vocabulary, reasoning and problem-solving skills. We use Understanding Christianity to teach RE using a teaching and learning approach to enable pupils to move from an understanding of the biblical text to an understanding of what this means for Christians. This includes opportunities for pupils to examine and evaluate connections between these ideas and the wider world.

We are continually looking to develop as a school, always seeking new opportunities to further improve the education we offer our children – they are at the heart of all that we do. Staff, children, parents and governors work together for the care of the school within the community, committed to the spiritual, social, moral and intellectual welfare of the pupils.

"St Botolph's has a strong community ethos. Leaders have high expectations and want pupils to excel." - Ofsted
