## Welcome to The Thomas Aveling School!

Thank you for considering the exciting opportunity of joining us as a **Teaching Assistant** at The Thomas Aveling School. We are thrilled to share our journey with you and hope you find our information pack both engaging and inspiring—just as we find our school community every day!

At Thomas Aveling, we pride ourselves on being a wonderful place to work and grow professionally. Our supportive colleagues create an environment where collaboration thrives, and everyone is committed to the success of our pupils. Here, you will find a warm atmosphere where we celebrate each other's achievements and strive together to provide the best for our students. We invite you to explore our recent OFSTED reports, which reflect our dedication to maintaining a happy and thriving school community over the past 12 years.

As one of nine secondary-modern schools in the Medway area, we have a rich history, having been the first High School in Medway to convert to an Academy. This transition has empowered us to allocate additional resources towards enhancing our students' learning experiences. Now part of the Beyond Schools Trust, we enjoy collaborative opportunities with our partner schools, allowing for professional development that enriches our teaching practises.

Our school is highly regarded in the community, often receiving three to four applications for every Year 7 place, thanks to our strong reputation for raising aspirations. We take great pride in our students' achievements, consistently exceeding expectations based on prior attainment.

We are particularly proud of our Key Stage 4 success, with our Progress 8 scores consistently placing us in the top 20% of all schools nationally. This success has led to the expansion of our Sixth Form, where students can choose from over 25 subjects, including both academic and vocational qualifications, enhanced by our collaboration with the grammar school in our Trust.

Our Level 3 courses have seen remarkable success, with nearly a 100% pass rate and an average academic grade of C+. We are ambitious to push this further, aiming for an average of B grades in our academic subjects. Each year, we celebrate students who apply to top universities, including Oxbridge, showcasing the incredible potential of our pupils.

At The Thomas Aveling School, you will truly feel the impact of your work every day. Our diverse student body comes from various backgrounds, and many live in rented accommodation, making our mission to support and uplift each student even more meaningful.

## About The Thomas Aveling School

The Thomas Aveling School is a very successful non-selective mixed school; we are a happy school, a school for all abilities and a school for the local community of Rochester.

We create a culture of high expectations and success for all students and staff. This is grounded in a supportive ethos where each student is treated as an individual, with their needs and ambitions supported by a great pastoral and children's team. A student's well-being is of equal importance to their academic progress, the support we offer is outstanding.

As well as supporting students of all abilities to make fantastic academic progress, Thomas Aveling provides an excellent all round education valuing Music, Drama, Sport and the Arts highly with exceptional facilities – we regard these subjects as providing the soul of the school and give students additional opportunities to excel. The standard of teaching at the school ensures strong progress is seen in the core subjects of English, Maths and Science without affecting the time given to creative and practical subjects - students enjoy the full breadth of experiences.

As a previously designated teacher training school we are fully invested in the professional development of our staff. Our dedicated teachers/mentors give the very best of training experiences to all of our trainees and ECTs. We have a strong and successful relationship with our main ITT providers, Teach in Kent and KMT and continue to work together in order to generate excellent practitioners. We successfully train an abundance of teachers every academic year, many are subsequently employed within The Thomas Aveling School, or the Beyond Schools Trust.

We have the very highest expectations of all within Thomas Aveling and work closely with parents to maximise achievement and to develop young people into caring, successful adults. We are very proud that when students leave us aged 18 (or 16 in the minority of cases) that they often go onto further study at University, specialist colleges or enter high quality careers in several areas. Our students are successful due to the talent and tenacity of the staff at Thomas Aveling raising the students' aspirations and expectations and never letting them settle for being alright.

As part of the Beyond Schools Trust, we play a pivotal role in enhancing educational opportunities for over 7000 young people in Medway and Kent. We believe that all involved in Thomas Aveling work and achieve best when happy; students are given considerable say in their education, for example choosing their option subjects in Year 8, choosing extra-curricular activities early in Year 7 and having the chance to take part in the Student Council. We have high expectations of all our students and considerable work goes into raising the aspirations of all - aiming high in everything we do.

## Our Aims & Values

Everything we do as a school is grounded in our 5 Student Virtues – the characteristics we want to develop in all our students – Ambition, Resilience, Respect, Pride and Creativity. Students are given a massive range of opportunities in and out of the classroom to develop these virtues.

- To embrace students of all abilities, enabling each one to achieve their very best
- To provide inspirational teaching and learning for the young people at our school within a caring environment
- To reward all achievements
