Welcome

Dear Applicant,

On behalf of the children, staff and Governors of the school, I would like to thank you for showing an interest in joining our South Borough community.

South Borough Primary School is located near to the town centre of Maidstone. Our school has been gradually expanding during recent years and has now reached capacity of at least 2 classes in each year group. We are very lucky to welcome families from a diverse range of backgrounds and cultures and work hard to ensure that our provision evolves all the time, to meet the needs of this community.

At the heart of all that we do are our school values of Respect, Kindness and Determination. These values are woven into all aspects of school life and are consistently role modelled by adults. Throughout the school, we use the Zones of Regulation curriculum routinely for every child to support them to manage their emotions and reinforce our expected behaviours using rewards such as Daily Top Banana and our very popular 'Power of Purple' award. We truly believe that children are not only here to learn academics but also essential social skills. Children are encouraged to see mistakes as learning opportunities. We follow a Restorative Approach to manage behaviour and deal with conflict. This approach focuses on developing positive relationships within the school and creates a safe, secure environment which enables children to reflect on the harm caused and consider what they could do differently next time.

The school's curriculum vision is to provide excellence, enjoyment and inspiration in all areas of learning. Our aim is to raise aspirations and increase life chances of all pupils whilst developing tolerance and appreciation for the diversity of our community. Children are empowered to express themselves in a variety of ways and contexts and encouraged to think 'outside the box'. Emphasis is placed on physical, social and emotional health to ensure an active body and healthy mind.

Ofsted last visited our school in April 2023. Inspectors celebrated the exemplary support that is given to disadvantaged pupils and those with SEN; the courteous and polite manner in which pupils conduct themselves and our successful curriculum which leads pupils to make good progress in all areas of their learning. They also noted that parents are overwhelmingly positive and value the opportunities that the children are provided.

Working at South Borough would give you an opportunity to work for a school that is committed to the development of staff in every step of their career. We have a bespoke program of induction for staff at all levels and have trust wide support to develop future leaders. Being part of Swale Academies Trust means that we link closely with other schools, which provides excellent opportunities for professional development and career progression.

The wellbeing of staff and pupils is at the forefront of everything we do. In June 2021, we were successful in achieving The Wellbeing Award for Schools, which is a national standard for positive mental health and emotional wellbeing. We value hugely the contributions that staff at all levels make to the outcomes of pupils and consider staff wellbeing a top priority in all decisions we make. We believe in consulting, having an open door policy and carefully monitoring staff workload to ensure that our team can be as happy and effective as possible. We understand the importance of home and professional life working in harmony and therefore pride ourselves on a 'no quibble' time off policy for staff to attend special family events.

We strongly encourage visits to the school and look forward to welcoming you. If you would like further information about the school, please visit our website (www.southboroughprimary.org.uk), our Twitter page or give us a call on 01622 752161.

Once again, thank you for showing an interest in South Borough Primary School.

Yours sincerely,

Mr M Currie
Headteacher
