About the Beyond Schools Trust

Our vision is simple:

To be the most respected family of schools - trusted to provide the highest quality of educational experiences in our communities.

We believe that by working together, rather than in isolation, we can accelerate school improvement and embed our vision in our academies. In working and collaborating towards our common strategic objectives, we can create more opportunities for lifelong success for our students.

The fundamental philosophy behind the Beyond Schools Trust's vision and strategic plan is all about thinking beyond the present day; looking at what is right for our students and staff both now and in the longer term.

Put simply we strive to:

- Develop and retain the best employees that know how to provide the best educational experience
- Support, motivate and reward our employees to go above and beyond for our students
- Be responsive to our students' and employees' needs so they are prepared for a rapidly changing world.

Our Values

Everyone in our Trust has a part to play in bringing the ethos and culture of our values alive. We are committed to ensuring everyone knows why we should value each other and how we should value each other, so we can create a community where we all aspire to succeed. Our values are not the static states of play but things we are always striving to develop and uphold as part of our culture.

Our Mission

To provide opportunities for everybody to be the best they can be.

We want every one of our students, teachers, or Governors to be the best that can be.
We will work tirelessly to support them to reach their potential.
