Welcome from our CEO

Leigh Academies Trust (LAT) is one of the largest and most successful school groups in England. Starting in 2008 in Dartford, the Trust is now responsible for 33 academies of all types, educating over 24,000 pupils, employing almost 4,000 talented staff and with access to an annual income of over £200m. Our Ofsted track record is impressive. Currently, 56% of our academies are considered to be “Outstanding” whilst inspected as part of the Trust.

LAT has remained local with all of its academies located in the South East (Kent, Medway, Bexley and Greenwich), within a one hour drive across the South Thames Corridor. This helps us to share resources and expertise much more easily and offer abundant training and progression opportunities to staff. We invest heavily in our workforce and enjoy strong retention across all job roles. The Trust has embedded various advantages which mean that LAT is an excellent place to develop a career in education. This includes being a highly inclusive employer which celebrates the diversity of its workforce.

Our scale and experience means we have been able to develop several well-chosen approaches to running schools which we know work well. These include:

- A small school approach to education where larger academies are organised into colleges. This ensures high quality pastoral care for pupils.
- A world class digital strategy where all staff and pupils have their own device making teaching, learning and operations efficient and highly impactful.
- Disruption free learning and a “warm strict” approach to behaviour management so that teachers can teach and pupils can learn.
- An all-through International Baccalaureate curriculum equivalent in quality to some of the best fee-paying schools and grammar schools in the UK and further afield.

In addition, The Leigh Institute - which is part of LAT - is responsible for Kent and Medway Training, one of the region’s biggest initial teacher training organisations, a large teaching school hub called Thames Gateway and an accredited apprenticeship provider. This powerful organisation trains, develops and supports 1,000s of teachers, support staff and leadership teams across the region each year. Our future plans are found in our [Vision 2030](#), available on our website.

Our Mission: *Education for a better world*

At Leigh Academies Trust, our vision is to transform lives through education. We strive to ensure that every young person - regardless of background - has access to an outstanding education and the opportunity to thrive in an ever-changing world.

We are guided by four core values that shape everything we do:

- **We care** – about our pupils and their families through our human scale approach to education, our staff and their well-being and the world around us, driven by our high ideals and strong moral values.
- **We have boundless ambition** – to achieve excellence for all and create confident young adults with high levels of resilience and integrity.
- **We work together** – as one team because we are greater than the sum of our parts. We foster an enterprising culture through global collaboration with partners in business and education.
- **We keep getting better** – using our 'can-do' attitude and research informed approach to continuous improvement and innovation.

This shared vision unites our academies and teams, creating a strong, collaborative environment where staff and students can flourish.

Job Description

Job Title: Technician (Food Technology/ Horticulture)
Reports to: Vice Principal
Location: Leigh Academy Snowfields (Cranbrook College)

Leigh Academies Trust is a highly successful multi-academy trust. Our model of education enables students to reach their full potential, transforming their lives and ultimately the communities in which they live.

Main purpose of role:

To provide comprehensive technical and practical support for the academy's vocational studies curriculum, with a primary focus on Food Technology rooms and resources. The role also includes supporting the Horticulture Coordinator in the day-to-day management of the vocational studies areas and resources. This position ensures that all learning environments are safe, well-equipped, and conducive to a high-quality educational experience for students and staff.

Key Responsibilities:

- To oversee the daily operation of the Food Technology rooms, including preparation, organisation and cleaning for all spaces, tools and equipment;
- To support the Horticulture Coordinator in the maintenance and daily running of the vocational studies areas and resources, including poly tunnels, raised beds and flower beds;
- To manage the ordering and inventory of all consumable resources for both Food Technology and vocational studies areas, ensuring adequate stock levels and maintained at all times;
- To ensure safety and compliance by maintaining high standards of health and safety, conducting routine safety checks, and keeping accurate records of both Food Technology and vocational study areas;
- To provide in-class support to teaching staff during practical lessons, assisting with demonstrations, and supervising students to ensure safe working practices;
- To work with and alongside students, maintaining high and appropriate standards of engagement at all times.

Food Technology:

- Prepare ingredients and equipment for all practical food technology lessons, as advised by teaching staff;
- Organise and clean all kitchen area, including work surfaces, ovens, refrigerators and storage facilities;
- Conduct regular checks of equipment to ensure it is in safe working order and report any faults;
- Manage weekly food orders and stock rotation, ensuring ingredients are fresh and supplies are readily available.

Vocational Studies:

- Assist the Horticulture Coordinator with planting, cultivating and maintaining a range of plants in the gardens and poly tunnels;
- Aid in the harvesting of produce as required;
- Prepare and maintain the vocational studies areas for lessons, ensuring they are accessible and safe for students;
- Clean, maintain and ensure the safe storage of all tools and equipment used in the vocational studies areas.

Safeguarding of students and Duty of Care

All staff, regardless of role, level of seniority and location, have a responsibility to ensure the highest levels of safeguarding and promoting the welfare of our pupils, and we expect all our staff and volunteers to share this commitment. We must collectively create an environment where children feel safe to learn, play, and grow. Children should feel comfortable in their surroundings and know that they can approach any responsible adult with any problems or concerns.

All staff must be able to identify any children who are at risk of harm, and know the characteristics of abuse or neglect. If you suspect or confirm harm then it's essential you know what actions to take.

Annual safeguarding training is offered to all staff at Leigh Academies Trust, and it is the staff member's responsibility to be aware of the most up to date guidance documented in the [Keeping Children Safe in Education document \(Department of Education\)](#).

Notes

The job description allocates duties and responsibilities but does not direct the particular amount of time to be spent on carrying them out and no part of it may be so construed. This job description is not necessarily a comprehensive definition of the post. It will be reviewed at least once a year and may be subject to modification or amendment at any time after consultation with the holder of the post.

The duties may be varied to meet the changing demands of the academy/business unit at the reasonable discretion of the Principal/Academies Director. This job description does not form part of the contract of employment. It describes the way the post-holder is expected and required to perform and complete the particular duties as set out in the foregoing.

Person Specification

As a Trust we seek to recruit talented individuals who can not only help to build the success of our academies but also people who are engaging and passionate about everything they do.
