Coastal Academies Trust: a company limited by guarantee Registered in England: Company Number: 07552665

Computer Science teacher

We are seeking an outstanding, dedicated teacher with a passion for enabling young people to achieve high standards in computer science. This vacancy provides an excellent career opportunity for an enthusiastic and dynamic professional. The successful candidate will take up a key role, leading and promoting a culture where students exhibit our ASPIRE values: a positive and proactive attitude, the desire to succeed, pride in themselves and their school, the opportunity and ability to inspire others and are resilient and enterprising in their approach to school and life.

We welcome applicants who are either:

- Looking for a position as a classroom teacher of computer science or,
- Looking for a leading position, but also some departmental leadership and responsibility within computer science

King Ethelbert School is rated Good by Ofsted and is very popular, being oversubscribed for several consecutive years. We are part of the Coastal Academies Trust which is made up of a grammar school, three Thanet high schools and two primary schools. All of these schools operate independently and have unique characteristics, but good practice is shared helping to drive forward standards at every level: our mission is to make Thanet the centre for excellent in education. In the sixth form we offer the exciting International Baccalaureate Career-Related Programme (CP) which has brought the school international recognition.

King Ethelbert School is located in the picturesque seaside town of Birchington which has stunning coastal views. Housing is affordable and the area benefits from a warm and sunny climate.

Potential applicants are welcome to visit us to experience the school first-hand. If you would like to arrange a visit, please do not hesitate to contact Debbie Shallcross, Personnel Administrator, via personnel@kingethelbert.kent.sch.uk, or on 01843 831999. More information about our school can be found by visiting www.kingethelbert.com.

King Ethelbert School is committed to safeguarding and promoting the welfare of children. The post is subject to safeguarding checks including an Enhanced Disclosure application to the Disclosure and Barring Service and in accordance with the Requirements of Keeping Children Safe in Education (2024), King Ethelbert School will undertake an online search via social media platforms of publicly available information concerning the short listed candidates.

How to Apply: Via the Kent Teach or the school website.

Closing Date: Please apply as soon as possible but not later than

9am on Friday 28th November 2025

Dear Applicant

King Ethelbert is a mixed non-selective school of approximately 900 students. In the context of Thanet (Margate, Broadstairs and Ramsgate), it is one of the most popular non-selective schools each year, filled with first-choice students and long waiting lists for each year group. We have a wide range of abilities studying with us, including some students who have passed the Kent Test but want to be at their local school where they can be equally successful; such is our reputation. We were last visited by Ofsted in June 2024 and were again rated Good with the school receiving some extremely positive feedback. Particular strengths identified by Ofsted were; the positive relationships between staff and students, the school's high expectations for pupils' behaviour and the broad and ambitious curriculum delivered to all pupils.

The school's outcomes are strong consistently, but we are determined to ensure that we do not compromise the curriculum or breadth of educational experience that we offer, in order to achieve a positive Progress 8 score or increase Attainment 8. We want all of the students to be happy, confident and successful during their time here with us and use our ASPIRE values so that students know how to be successful in school.

King Ethelbert was one of the first state schools in the country to offer the International Baccalaureate Careers-Related Programme in the sixth form because it is the best post-16 educational offer in the world. We are a lead school for the IBCP and support many other schools in Kent, as well as welcoming visitors from across the world to see what the IBCP does for our students and how we can share good practice internationally as well as locally.

The commitment to work together lies at the heart of Coastal Academies Trust. The trust began as a federation between King Ethelbert and Dane Court Grammar School in 2009 and these two schools still share a governing body. Over the last few years we have been joined by Cliftonville Primary School, Hartsdown Academy, Royal Harbour Academy and Newington Primary School. As a trust our commitment to all schools is non-negotiable. All students who attend any one of our schools are valued and important and we have a collective responsibility to all. We are committed to making Thanet the centre of excellence for education.

The trust is fully invested in the continuous professional development of all its staff. We deliver bespoke leadership training to complement the new, revised NPQ programmes and give hands-on, practical experience and training to our aspiring and existing leaders at all levels.

If King Ethelbert School and the Coastal Academies Trust sounds like the place you would like to work - and you have the ambition, commitment, and passion necessary, then apply.

Should you require any additional information please contact Laura Pease, PA to the Headteacher, via personnel@kingethelbert.kent.sch.uk, or on 01843 831999.

More information about our school can be found by visiting www.kingethelbert.com.

Please apply as soon as possible but not later than **9am on Friday 28th November 2025**

This is a key role in the school and we are keen to appoint an excellent practitioner so we may progress with interviews prior to this date to secure the right person for this post.

Tom Sellen
Headteacher

Coastal Academies Trust: a company limited by guarantee Registered in England: Company Number: 07552665

Computer Science Department

At Key Stage 3, students are introduced to the fundamentals of Computer Science and IT through a well-structured curriculum. This allows students to build their knowledge of computational thinking, programming, cybersecurity, and digital literacy. They gain hands-on experience with coding in languages such as Python and Scratch, alongside developing problem-solving and logical reasoning skills.

The subject has been popular at key stage 4 historically, and we are looking for candidates to drive forward the promotion and recruitment of students in both KS4 and 5.

The computer science department has contributed significantly to the school's curriculum beyond the classroom, offering extracurricular opportunities such as:

- coding clubs and robotics workshops
- hackathons and cybersecurity competitions
- visits from industry professionals and university partnerships
- support for students entering national and international computing competitions
- STEM enrichment activities, including cross-curricular projects with Maths and Science

The department has a fully equipped IT suite available with programming software, and interactive teaching resources. A dedicated classroom space is available for theory lessons, alongside access to additional IT resources.

Why Join Our Team?

A comprehensive induction programme is provided into the work of King Ethelbert School, and a specific mentoring and guidance programme operates for all new entrants. Ofsted have recognised that guidance and support given by staff for students is outstanding. It is expected that all potential members of staff will have a passion and a commitment to each child achieving their personal best.

King Ethelbert School is committed to safeguarding and promoting the welfare of children. This position is therefore subject to an enhanced Disclosure and Barring Service application.

The successful candidate may also hold a pastoral responsibility as a tutor within a year system

Job description

Post title:	Teacher of Computer Science
Line manager:	Assistant Headteacher/Deputy Headteacher
Core purpose:	Lead teacher of Computer Science: To play a leadership role) in line with the responsibilities outlined below), alongside that of a teacher of Computer Science Teacher of Computer Science: To be an effective teacher (and form tutor) who supports and challenges all students in reaching their potential and also supports the school's vision of being happy, confident and successful students.

Main responsibilities (Any applying for Lead teacher should also include those in bold):
