For Appointment of:
Catering Assistant

Welcome from Executive Headteacher Simon Murphy

Thank you for your interest in this role at Saint George's Church of England School. I hope the information within gives you an insight into our all-through school and the unique opportunity this position offers.

As a founding member of the Aletheia Academies Trust, our vision is rooted in a determination to improve the life chances of local children. The Trust provides outstanding opportunities for our primary and secondary based staff to connect with others, share good practice, improve their teaching, and develop their own career pathway.

Saint George's is thriving. All stakeholders including governors, parents, staff and pupils work exceptionally hard to create a warm, welcoming and inclusive atmosphere in a school which boasts a fantastic sense of community, continuously improves outcomes for children and families, and holds tightly to its Christian vision and values.

As an all-through school, that sense of community is all the more palpable and I feel very privileged, alongside my colleagues, to see pupils learn and develop from reception classes through to our excellent 6th Form provision.

We look forward to receiving your application and welcoming you to Saint George's.

Welcome from Head of Secondary Phase Matt Lillie

Thank you for taking the time to consider a post at Saint George's. We are immensely proud to be a Church of England school and committed to serving the local community of Gravesham. As an all through school we have the rare privilege of seeing our pupils develop from the age of 4 right up until they reach 19. Improving life chances for local children is at the heart of what we do and something that drives us to continually improve.

Pupils at Saint George's achieve well and are supported by a deeply committed and caring staff body many of whom were once pupils at the school themselves. We pride ourselves on being a highly inclusive school and this is supported by our pastoral and SEND teams who are passionate about inclusion. We seek to encourage every child to find and develop their talents and as such our curriculum is broad, allowing pupils to find the subject that they are passionate about. This is supported by a wide extra-curricular offer including the Duke of Edinburgh Award, an extensive range of sports, creative and performing arts and much more.

If this sounds like a community that you would be excited to join, then I look forward to receiving your application.

Saint George's Church of England All Through School

We consider our school to be highly inclusive, welcoming students of all backgrounds and beliefs, unified by our commitment to their well-being and sense of achievement.

Saint George's has developed a reputation as a high achieving school providing excellent outcomes for all students academically and in terms of their personal growth. We have exceptionally high expectations of how our students behave, speak, and present themselves. This is underpinned by our Christian values, our worship and school ethos. Everyone who wishes to learn is welcome.

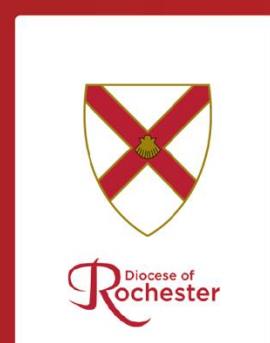

Our motto '**All Different, All Equal, All Flourishing**' emphasises our Christian belief that the God-given talents of all students should be encouraged and developed, recognising, and valuing their unique worth.

We have had a long-held belief in the potential of an all-through school to further enhance the educational provision on our site. We are delighted that this vision has now become a reality for Saint George's. A shared philosophy ensures that there is greater consistency around expectations, ethos and pedagogy which eliminates any unsettling transition between the primary and secondary phases. We facilitate teachers working together in the primary and secondary phases which raises aspirations still further and ensures that children are not able to fall through the gaps. Our primary pupils benefit from having specialist subject staff available and economies of scale allow greater spending on teaching and learning and the sharing of specialist and enhanced facilities for all pupils.

At Saint George's, we strive for all students to have learnt new skills, to have developed their talents and with this, a love of learning; making them confident, articulate, sensitive and caring citizens for the future.

"Visitors most often comment upon the profound sense of community within the school."
