Job Description and Person Specification

Lead Practitioner – Class Cover

Reporting to: Deputy Principal

Pay Range: £23,600 - £28,000 FTE salary, pro rata £19,009.26-£22,553.36 (based on 5 days per week)

Hours: 30 or 37.5 hours per week, working 4 or 5 days.

Context

The Oaks Specialist College is a registered 'Outstanding' provision based in Tonbridge, set up to meet the needs of young adults age 18-25 with learning difficulties or disabilities (LLDD).

Our aim is to complement and work alongside existing providers in the area, to ensure that the needs and aspirations of all LLDD young people can be met locally. We work with a range of local businesses to enable our learners to seek employment and play an active role in their community.

Learning programmes include:

- A programme of study and work-related learning and experience that will lead to further vocational training, internships/apprenticeships and employment.
- A programme of study providing a further 1, 2 or 3 years for young adults to continue to develop their personal life and independent living skills so that they can contribute to society in a number of ways and live an independent or semi-independent life.
- A vocational programme providing a further 1, 2 or 3 years for young adults to continue to develop their personal life and independent living skills so that they can contribute to society in a number of ways and live an independent life in a supported environment.
- A bespoke programme of study for learners that require a total communication approach and may use AAC. This is a multi-sensory curriculum to enable the learners to communicate their needs in a supported environment.

Job Summary

1. Promote the highest standards of learning and achievement in a supportive, stimulating and orderly environment to engage young adults in their learning and planning for their own future.
2. Encourage and enthuse all learners and thus enable everyone to achieve the best that they can and become as independent, skilled and confident as possible.
3. Create an inclusive ethos in which learners develop independence, value themselves, others and their environment, and prepare for adult life and citizenship by working with others.
4. Promote the enjoyment of learning and support the attainments, successes and achievements of all learners.
5. Support all members of the College community to enable them to communicate and interact effectively, be confident, motivated to succeed and develop life, independence and skills for employment in a practical setting.
6. Work in partnership with all parents, carers and key people and organisations in the community to provide an accountable, high quality service, committed to safeguarding young adults that will have a positive, sustainable impact for individuals and partner organisations locally, regionally and, where possible, nationally and internationally.
7. Support our learners to embed their employability skills as part of our enterprise and work placement offer

Additional Benefits

There are many career development opportunities for those interested in progression, including into teaching and job coaching, and we can support the successful candidate to achieve qualified teacher learning and skills status (QTLS) if you are a suitable candidate and demonstrate your commitment to the college. (No degree required).

Other benefits include private Healthcare and free health screening, and employee rewards through Perkbox.

Job Description - Principal Accountabilities

As an active and effective member of the Teaching and Learning Team, you will:-

1. Support the learning of groups, individuals, subjects and skills as deployed by the College Principal and Deputy Principals, throughout The Oaks and in the community.
2. Engage all learners and encourage and enthuse them in order to enable them to make good or better progress and become as skilled, knowledgeable and independent as possible so that they become successful learners, confident individuals and responsible, contributing citizens.
3. Utilise the on-site café, supermarket and other enterprise opportunities to provide learners with the experience of working in real-life situations and environments.
4. Develop and maintain links with the local community to support the enterprise portfolio of the College.
5. Liaise with teaching staff to obtain knowledge of learners' special needs and deploy positive and targeted support for all learners with specific learning needs or difficulties.
6. Build all learners' enthusiasm for learning, optimism, self-esteem, self-confidence, independence and a problem-solving approach with active participation in their learning and self-assessment in the context of a working environment.
7. Develop and manage positive and productive relationships with all learners, staff, carers, parents, Trustees.
8. Develop learners' participation, social skills, responsibility, concern for others, independence, literacy, numeracy and ICT skills throughout the curriculum and enable them to make safe and healthy choices.
9. Use and develop opportunities for learning outside the classroom, including online.
10. Promote positive behaviour, setting consistent, clear expectations for maintaining appropriate behaviour, managing any challenging or difficult behaviour from learners, minimising any negative impact on the learning of others, and/or on the learners themselves.
11. Regularly monitor, evaluate, record and report the progress of learners in relation to their prior attainment, using agreed College systems and to use this to provide constructive on-going feedback to learners to guide their learning and develop their individual capacity to know, understand, value and build on their own strengths and skills.
12. Liaise with teaching staff to contribute to target setting for further learning and modification of planning.
13. Participate in, and engage with, a range of College based and external INSET and professional development activities, including performance management feedback, and sharing best practice and outcomes with colleagues and to continuously improve own teaching performance.
14. Implement all College procedures & policies consistently, and contribute to their evaluation and further development, supporting the College in achieving its aims, vision and priorities as set out in the College Development Plan.
