SOMERHILL
We grow amazing people

Welcome to Somerhill

We have a very special school here with a unique offering: the 'best of both worlds', the 'ideal mix' and the 'place I always dreamt of finding' are the comments we often hear from our parents or visitors. With co-educational learning until age 7, Somerhill offers single-sex classroom lessons until children leave us for senior schools, allowing uninhibited learning and bespoke strategies for the older girls and boys with all the benefits of a co-educational setting.

Our philosophy for the children at Somerhill is straightforward: happy children want to learn. Children are happy if they can play, participate widely and start to master skills of whatever kind, and our stunning setting and outstanding facilities offer endless opportunities for the children to find something that makes them smile.

We believe this offers you the perfect glimpse into our school life. However, to fully appreciate the extraordinary education that we offer and see our vision of confident, curious, and resilient children realised, we invite you to visit us at Somerhill. You will see that this really is an exceptional learning environment where we grow amazing people!

beautifully unique

Our unique school

Somerhill is set in a stunning 400-year-old Jacobean mansion surrounded by 150 acres of beautiful parkland. You will be hard-pressed to find a more glorious setting for a school! We have excellent facilities including a multi-purpose sports hall, astroturf, indoor swimming pool complex and purpose-built music suite to name just a few.

Ours is a mixed ability school. Teachers really invest in the children and know them well, with lessons carefully planned to cater to all abilities.

We have very bright and capable pupils and send more pupils to grammar schools each year than any other local school. Destinations include Tonbridge Grammar School, The Judd School, and The Skinners' School. Some pupils are awarded scholarships at independent schools such as Tonbridge School, Sevenoaks School, Walthamstow Hall and Sutton Valence School at 11+/13+.

We also cater to children who find aspects of their learning more challenging and currently approximately 40 pupils receive additional support.

Located just to the south of Tonbridge, we are readily accessed by a slip road off the A21.

Between the ages of 2 and 7 years, girls and boys are together in the classroom. This environment promotes uninhibited development at an age when playing and learning are often synonymous. From 7 to 13 years, children benefit from a single-sex classroom environment, where girls and boys learn in different and bespoke ways. The moment classes finish, everyone is together - at break and lunch as well as for sports, music, clubs and activities. This really is the best of both worlds for our children.
