

## **JOB DESCRIPTION: Work Experience Coordinator**

### **Our Aim**

Liberty Group is an organisation devoted to improving the lives of society's most vulnerable and disadvantaged young people. The aim is to do so with different sectors of the Group- Education, Semi-Independence and Children's Homes and our Community Interest Company, to support individuals achieve the most in their lives. With our combined knowledge and experience Liberty Group deliver an optimum service to help young people achieve their full potential and make a positive impact on society.

### **Your Role**

The role of **Work Experience Coordinator** is to develop, implement and coordinate work experience for learners aged 16-25 with additional educational needs and disabilities. Also gather and record progression information.

You will be responsible for finding safe, suitable work placements to meet individual learner career aspirations, establishing and maintaining good working relationships with work placement providers, and supporting the learners to enable them to access and maintain their placements. This will involve liaising with families and other professionals to ensure learner needs are fully met. As learners progress from college into employment, education, training or volunteering, you will collect progression evidence and update our records.

As **Work Experience Coordinator** you will support the Liberty Training college team in ensuring work experience placements meet the individual needs of the learner by supporting learners in gaining the skills, knowledge and experience they need to support their learning journey at college and beyond.

You will support the team in ensuring directives and policies are reflected and implemented in everyday practice.

You will be accountable to your Line Manager.

### **Requirements**

Full time Work Experience Coordinators are required to be available for work for up to 200 days per year, Monday to Friday, 8:30am - 16:30. The hours of work will be specified by the Head of College. You are entitled to a 30-minute unpaid lunch per day. but this may vary according to the needs of the company.

You must have an outgoing, friendly, and confident personality with a positive attitude and a passion for helping others. Our team are motivational speakers, inspirers, and energisers who broaden horizons and break down barriers to progression.

We are looking for someone professional and reliable with excellent people skills, who can establish excellent working relationships with both clients and employers. You will need to be highly organised and demonstrate good verbal and written communication skills, have an understanding of the need to

maintain boundaries and the ability to work with sensitivity and humour. You should have experience in a similar role and a good understanding of health and safety in the workplace would be an advantage.

At Liberty, we have a “learner centred” approach and are looking for someone with the same philosophy. We have a holistic approach to training young people, helping them wherever possible with the challenges that life may throw at them, and to join our team, you would need that same outlook.

The Liberty Team have an ‘all hands on deck’ approach, so when you are not fulfilling the elements of your role, you may be asked to assist the team in other areas.

## **Key Responsibilities**

- Contact employers and develop high-quality community-based opportunities for learners to job shadow, have short-term exploratory job placements and longer-term work experiences.
- Develop and establish employer links, promoting and fostering long-term working relationships.
- Match learner needs, skills, and interests with available job placement opportunities.

- Work with tutors to plan times to carry out mock interviews with learners and CV workshops to support learners' employability skills.
- Plan and carry out one-to-one employability sessions with learners to focus on career support for individual learners, particularly for those at risk of leaving the education system.
- Assessing a young person's needs in relation to work experience and providing initial transition support for a young person in their work experience placement to support the young person to settle into their work experience placement.
- Liaise regularly with job site supervisors to insure successful work experience placements.
- Seek to resolve problems that may arise regarding a work experience placement.
- Liaise with teaching and non-teaching staff to ensure awareness of the work experience programme and necessary involvement, ensure placements meet the learner needs, accurate records are maintained, and information is shared to further support the learner need.
- Carry out initial health and safety checks at work experience placement sites and perform ad-hoc site checks as appropriate to ensure all health and safety regulations are met.
- Maintain accurate and up to date tracking and monitoring systems for all work experience, industry placement and employer engagement opportunities in line with the College's processes and work experience policy.
- Maintain and update effective management information to monitor work placement uptake by students to provide a robust evaluation system and identify gaps moving forward.
- Communicate with employers, training providers, education placements and volunteering organisations to obtain evidence for learners who have progressed.
- Support leavers to find a progression where they do not have one.

- Provide a high level of customer service to all learners, staff, visitors and work placement providers.
- Fully understand the aims, objectives and ethos of Liberty Group and to reflect these in your daily working life.
- Adhere to Liberty Group policies and procedures.
- Act in a professional yet approachable manner at all times.
- Attend regular meetings and supervisions to help your own professional development.
- Attend training as required.
- Any other tasks as required or requested by your Line Manager
