Welcome to The Abbey School

The Abbey School joined THAT on 1st April 2023, after celebrating the school's best academic results ever in 2022. The Abbey School is a mixed secondary school with a thriving population of over 1100 students. We believe that school should be a place where young people can discover and develop their own individual talents. This means an education that is structured around the individual strengths and needs of each child.

At the end of their time with us, we aim for all our young people to leave the school confident, happy and well equipped to take their place in employment or further education. We are particularly proud of the support structures that exist within the school which we continually enhance. Our students acquire not only an excellent foundation in learning, but also attributes such as resilience, leadership, creativity and team-working skills.

Aspiration at The Abbey School does not only mean wanting to do well in tests or gaining qualifications. It refers to the broader sense of accomplishment gained through personal development and through participation in a large variety of opportunities offered to our students. Our school emphasises the importance of working collectively both within the school and with local partners.

When you visit our school, I am sure that you will recognise not only the warm welcome of our students but also their enjoyment and passion for learning. Our school motto, ***“Be The Best You Can Be”***, reflects our educational values. It is inclusive of all that belong to our community, and it is our aim that all members of our school show respect for one another.
