Trust Welcome

The Canterbury Multi-Academy Trust is a successful, popular and expanding organisation, dedicated to improving the life chances of young people and helping across our communities.

Across our 'Schools for All Talents', our staff are driven by our shared ethos and values. We push ourselves every day to be courageous in our leadership and 'dare to be different'; never swaying from doing what is right for our students and for their futures.

We believe passionately that every young person is special and that everyone is good at something. Across our Trust, we constantly challenge ourselves to discover those talents in young people and to nurture individual brilliance; recognising and celebrating each child for who they are.

By striving, every day, during term time and non-term time, to offer as much as possible, as often as possible, for as many as possible through our Trust's exceptional facilities; we believe that schools should exist to serve their students and their communities; not the other way around.

Through all of this, ultimately, we believe that if children are to take anything from education, it is that they leave us as happy, caring, confident individuals; comfortable with who they are, able to embrace everything that is great about themselves and excited about their next steps in life; whatever that may be and wherever those steps may take them.

I'm both immensely proud and privileged to work alongside such a dedicated, passionate team of colleagues, working tirelessly to ensure that the ambitions, dreams and aspirations of our students, become our own ambitions, dreams and aspirations for their futures too.

At the Canterbury Multi-Academy Trust, we believe that every employee matters. We listen, support and encourage our staff to be the very best that they can be and feel proud to play a part in making a difference to every student's journey.

Come and join our Trust, come and share our vision and come and help shape our students' lives.

Trust Overview

The Canterbury Multi-Academy Trust came into existence in October 2010 when schools judged by Ofsted to be 'outstanding' were allowed to convert to Academy status, benefit from greater freedoms and shape their futures.

Since then, The Canterbury Multi-Academy Trust has grown. It now provides a variety of services 'to improve the life chances of children and to help in the community'. These include: City View Pre-School and Nurseries Ltd; a newly rebuilt and expanded two form of entry Canterbury Primary School; a Specialist Resourced Based Provision for primary ASD pupils; The Canterbury Academy, which has expanded to take an additional form of entry; a Specialist Resourced Based Provision for secondary Speech and Language students; The Cullum Centre, in partnership with The National Autistic Society; The Sixth Form, Enterprise and Employability Centre, which includes one of the largest Sixth Forms in Kent; The Canterbury Youth Commission, an area wide Inclusion and Engagement Service and Professional Learning and Community Centre with café.

As part of The Concordia Learning Alliance, the Trust helps train the teachers of tomorrow, provides professional development and helps support future leaders across all schools in Kent.

Much of The Canterbury Multi-Academy Trust is located on The Canterbury Campus. The Canterbury Campus hosts a number of other providers and thus creates 'a wealth of opportunity' which means we can 'offer as much as possible, as often as possible, for as many as possible'.

We have a successful partnership with The Langton, which offers a grammar school stream in the school, co-operation in planning and delivering provision for students with ASD, A Level teaching and combined delivery of elite Post 16 sport. This enables us to offer a comprehensive education to the children and families of this area and provide a variety of pathways to success in academic study, sport, performing arts, practical learning and enterprise education.

Our Schools are Successful, Popular and Expanding

City View Pre-School and Nurseries will increase its number of places. Due to its location on our campus, children will benefit from a smooth transition to The Canterbury Primary School.

The Canterbury Primary School

The Canterbury Primary School has been rebuilt to provide a modern state of the art facility which can admit over 420 pupils. Pupils at The Canterbury Primary School gain preferential entry to The Canterbury Academy.

The Canterbury Academy

A school for all the Talents

The Canterbury Academy was one of the first all through federations to win recognition as an Advanced Extended School and as a High Performing Specialist School.

The Canterbury Academy is an accredited International School. We have taken advantage of the freedoms offered by Academy status to shape our curriculum, our provision and our admission to develop a genuinely comprehensive school.

The Canterbury Academy has a variety of partners to enable gifted students to excel in sport. Its teams regularly compete, and win, county and national championships. Students have gone on to compete in the Olympics and gain professional sports contracts.

The Canterbury Academy works in partnership with The Royal Shakespeare Company and Kent School of Performing Arts to provide professional training for gifted performers. Students have gone on to act on stage, screen and TV.

The Canterbury Academy offers a grammar school stream in partnership with The Langton. Pupils at the primary school can benefit from accelerated learning opportunities because of this link. The Canterbury Academy is so popular that it expanded to admit an additional form of entry in September 2017.

Students from The Canterbury Academy, and from many other local schools, progress into Sixth Form.

The Sixth Form offers, in partnership with The Langton, the full range of A Levels. It is now one of the largest Sixth Forms in Kent and Medway.

The Sixth Form offers the full range of facilitating A Levels. It offers Level 3 BTEC qualifications. It offers Level 2 qualifications. It offers industry relevant qualifications as well as the opportunity to continue with Maths and English.

The Sixth Form also attracts students specifically into the sports and performing arts academies.
