Welcome to THAT

Thank you for your interest in joining The Howard Academy Trust. We are a family of 9 academies—4 primary, 4 secondary, and 1 alternative provision—working across Medway, Kent, and Bexley. As a Trust, we are committed to delivering the highest standards of education for all children and young people, regardless of their background.

Our vision, *"Working together to create a community of successful learners"* underpins everything we do. We firmly believe that every child deserves access to at least a good education, and we are proud that every academy within our Trust has maintained or improved its Ofsted rating. Notably, Temple Mill Primary School and Waterfront UTC made the remarkable journey from Special Measures to Good at their first inspection since joining us—a testament to the dedication and expertise of our staff.

At The Howard Academy Trust, we recognise that our people are central to our success. We are committed to supporting and developing our staff so that they, in turn, can provide an outstanding education for our students. Each of our academies serves its own unique community, and our role as a Trust is to provide the support, guidance, and collaboration needed to drive continuous improvement.

We are always looking for talented and passionate individuals to join our team. If you share our belief in the power of education and want to be part of an organisation that truly makes a difference, we would love to hear from you.

Welcome to The Abbey School

The Abbey School joined THAT on 1st April 2023, after celebrating the school's best academic results ever in 2022. The Abbey School is a mixed secondary school with a thriving population of over 1100 students. We believe that school should be a place where young people can discover and develop their own individual talents. This means an education that is structured around the individual strengths and needs of each child.

At the end of their time with us, we aim for all our young people to leave the school confident, happy and well equipped to take their place in employment or further education. We are particularly proud of the support structures that exist within the school which we continually enhance. Our students acquire not only an excellent foundation in learning, but also attributes such as resilience, leadership, creativity and team-working skills.

Aspiration at The Abbey School does not only mean wanting to do well in tests or gaining qualifications. It refers to the broader sense of accomplishment gained through personal development and through participation in a large variety of opportunities offered to our students. Our school emphasises the importance of working collectively both within the school and with local partners.

When you visit our school, I am sure that you will recognise not only the warm welcome of our students but also their enjoyment and passion for learning. Our school motto, ***“Be The Best You Can Be”***, reflects our educational values. It is inclusive of all that belong to our community, and it is our aim that all members of our school show respect for one another.
