Dear Applicant

King Ethelbert is a mixed non-selective school of approximately 900 students. In the context of Thanet (Margate, Broadstairs and Ramsgate), it is one of the most popular non-selective schools each year, filled with first-choice students and long waiting lists for each year group. We have a wide range of abilities studying with us, including some students who have passed the Kent Test but want to be at their local school where they can be equally successful; such is our reputation. We were last visited by Ofsted in June 2024 and were again rated Good with the school receiving some extremely positive feedback. Particular strengths identified by Ofsted were; the positive relationships between staff and students, the school's high expectations for pupils' behaviour and the broad and ambitious curriculum delivered to all pupils.

The school's outcomes are strong consistently, but we are determined to ensure that we do not compromise the curriculum or breadth of educational experience that we offer, in order to achieve a positive Progress 8 score or increase Attainment 8. We want all of the students to be happy, confident and successful during their time here with us and use our ASPIRE values so that students know how to be successful in school.

King Ethelbert was one of the first state schools in the country to offer the International Baccalaureate Careers-Related Programme in the sixth form because it is the best post-16 educational offer in the world. We are a lead school for the IBCP and support many other schools in Kent, as well as welcoming visitors from across the world to see what the IBCP does for our students and how we can share good practice internationally as well as locally.

The commitment to work together lies at the heart of Coastal Academies Trust. The trust began as a federation between King Ethelbert and Dane Court Grammar School in 2009 and these two schools still share a governing body. Over the last few years we have been joined by Cliftonville Primary School, Hartsdown Academy, Royal Harbour Academy and Newington Primary School. As a trust our commitment to all schools is non-negotiable. All students who attend any one of our schools are valued and important and we have a collective responsibility to all. We are committed to making Thanet the centre of excellence for education. The trust is fully invested in the continuous professional development of all its staff. We deliver bespoke leadership training to complement the new, revised NPQ programmes and give hands-on, practical experience and training to our aspiring and existing leaders at all levels.

If King Ethelbert School and the Coastal Academies Trust sounds like the place you would like to work - and you have the ambition, commitment, and passion necessary, then apply.

## **English department**

The department currently comprises a Head of Department, a second in charge of English, and nine others who teach across the age and ability range.

At KS3, students follow a diverse curriculum, exploring schemes which focus on a range of relevant topics: the environment, an exploration of Shakespearean heroes and villains, a range of novels which focus on celebrating diversity, to name a few. At KS4, students currently study the WJEC Eduqas examination board for both English Language and English Literature.

As a department, the English team pride themselves on innovative and engaging delivery of curriculum content, whilst ensuring students achieve the challenging targets they are set. Part of our offer to students is the exciting partnership with the Royal Shakespeare Company which shapes many of the teaching strategies. Staff are encouraged to use rehearsal room techniques to engage students in an 'Active Approach' to the wide range of texts that they study.

At Key Stage 5 the English department teaches elements of the IB to our Post 16 students: IB English Language and Literature is offered and is an increasingly popular course to study. Students often find the study of literature invaluable when applying for university places.

The English department is a good department, and English results have improved significantly since 2019, with 70% of students achieving a Grade 4 or better in English (best) in 2025. We are looking to appoint a capable practitioner who will be an active member of the English department, and play a significant role in continuing to build on our success. This is a fantastic opportunity to work in a friendly and welcoming department at the cutting edge of educational developments, achieving a widespread reputation for its success. The department is supportive, collaborative and strives for success as a team and would keenly welcome likeminded applicants for this post.
