Trust Welcome

The Canterbury Multi-Academy Trust is a successful, popular and expanding organisation, dedicated to improving the life chances of young people and helping across our communities.

Across our 'Schools for All Talents', our staff are driven by our shared ethos and values. We push ourselves every day to be courageous in our leadership and 'dare to be different;' never swaying from doing what is right for our students and for their futures.

We believe passionately that every young person is special and that everyone is good at something. Across our Trust, we constantly challenge ourselves to discover those talents in young people and to nurture individual brilliance; recognising and celebrating each child for who they are.

By striving, every day, during term time and non-term time, to offer as much as possible, as often as possible, for as many as possible through our Trust's exceptional facilities; we believe that schools should exist to serve their students and their communities; not the other way around.

Through all of this, ultimately, we believe that if children are to take anything from education, it is that they leave us as happy, caring, confident individuals; comfortable with who they are, able to embrace everything that is great about themselves and excited about their next steps in life; whatever that may be and wherever those steps may take them.

I'm both immensely proud and privileged to work alongside such a dedicated, passionate team of colleagues, working tirelessly to ensure that the ambitions, dreams and aspirations of our students, become our own ambitions, dreams and aspirations for their futures too.

At the Canterbury Multi-Academy Trust, we believe that every employee matters. We listen, support and encourage our staff to be the very best that they can be and feel proud to play a part in making a difference to every student's journey.

Come and join our Trust, come and share our vision and come and help shape our students' lives.

Mr Jon Watson
Chief Executive Officer

Trust Overview

The Canterbury Multi-Academy Trust came into existence in October 2010 when schools judged by Ofsted to be 'outstanding' were allowed to convert to Academy status, benefit from greater freedoms and shape their futures.

Since then, The Canterbury Multi-Academy Trust has grown. It now provides a variety of services 'to improve the life chances of children and to help in the community'. These include: City View Pre-School and Nurseries Ltd; a newly rebuilt and expanded two form of entry Canterbury Primary School; a Specialist Resourced Based Provision for primary ASD pupils; The Canterbury Academy, which has expanded to take an additional form of entry; a Specialist Resourced Based Provision for secondary Speech and Language students; The Cullum Centre, in partnership with The National Autistic Society; The Sixth Form, Enterprise and Employability Centre, which includes one of the largest Sixth Forms in Kent; The Canterbury Youth Commission, an area wide Inclusion and Engagement Service and Professional Learning and Community Centre with café.

As part of The Concordia Learning Alliance, the Trust helps train the teachers of tomorrow, provides professional development and helps support future leaders across all schools in Kent.

Much of The Canterbury Multi-Academy Trust is located on The Canterbury Campus. The Canterbury Campus hosts a number of other providers and thus creates 'a wealth of opportunity' which means we can 'offer as much as possible, as often as possible, for as many as possible'.

We have a successful partnership with The Langton, which offers a grammar school stream in the school, co-operation in planning and delivering provision for students with ASD, A Level teaching and combined delivery of elite Post 16 sport. This enables us to offer a comprehensive education to the children and families of this area and provide a variety of pathways to success in academic study, sport, performing arts, practical learning and enterprise education.

Our Schools are Successful, Popular and Expanding

City View Pre-School and Nurseries will increase its number of places. Due to its location on our campus, children will benefit from a smooth transition to The Canterbury Primary School.

The Canterbury Primary School

Part of The Canterbury Academy Trust

The Canterbury Academy was one of the first all through federations to win recognition as an Advanced Extended School and as a High Performing Specialist School.

The Canterbury Academy is an accredited International School. We have taken advantage of the freedoms offered by Academy status to shape our curriculum, our provision and our admission to develop a genuinely comprehensive school.

The Canterbury Academy has a variety of partners to enable gifted students to excel in sport. Its teams regularly compete, and win, county and national championships. Students have gone on to compete in the Olympics and gain professional sports contracts.

The Canterbury Academy works in partnership with The Royal Shakespeare Company and Kent School of Performing Arts to provide professional training for gifted performers. Students have gone on to act on stage, screen and TV.

The Canterbury Academy offers a grammar school stream in partnership with The Langton. Pupils at the primary school can benefit from accelerated learning opportunities because of this link. The Canterbury Academy is so popular that it expanded to admit an additional form of entry in September 2017.

The Canterbury Academy Sixth Form

A Sixth Form for all the Talents

Students from The Canterbury Academy, and from many other local schools, progress into Sixth Form.

Teacher of Mathematics

We are a large team that strongly believe all students should be given the opportunity to master mathematics. This means we are striving for all students to acquire a deep, long-term, secure and adaptable understanding of the subject.

Within the faculty we see the benefit of continued professional development to help promote good outcomes for our students. We run development sessions three to four times a term focussing on various aspects of teaching mathematics through a teaching for mastery approach.

We are looking for someone who has the ability to put their vision for teaching and learning into practice. Someone who can deliver high quality lessons that ignite a passion for mathematics into our students.

The mathematics department has seen lots of success in both pupil outcomes and Progress 8 in the past few years and would like to continue these positive trends. Time has been dedicated to upskilling the team in pedagogy and curriculum knowledge. This has resulted in an innovative and creative department who use evidence-based practice to develop their teaching and curriculum design.

We are a team that seeks to find new and interesting ways to allow pupils to learn and make progress. This is based on a supportive team ethos. As a department, we have successfully overseen massive changes to curriculum and assessment and are looking to continue to improve to ensure that pupils get the best possible grades and experience in Mathematics.

If you share our passion for ensuring high standards for all, if you believe that every learner matters and have the ambition to help maximise opportunities for young people in our school, we would very much like to hear from you.

Applications will be assessed in order of receipt and interviews may occur at any stage after applications are received. Please apply as soon as possible.
