Dear potential applicant,

### **Head of Sixth Form**

Thank you for your interest in this position. The Lenham School is at a very exciting point in its journey, and I believe this appointment is the perfect opportunity for anyone who is looking to make their mark in education. Our school is going from strength to strength, and we are committed to becoming a truly outstanding and unique non-selective school in Kent. The Sixth Form has been a leading project during my first three years as Headteacher here. Not only are the outcomes getting stronger all the time, but our numbers have also grown significantly. We currently have 60 students in our Sixth Form and I want to find a Head of Sixth Form that can really build it into a brand that takes us closer to 100 students in the future. This is a real project where the right person can make their mark.

I am looking for a thoughtful, energetic, optimistic and passionate leader to join us and help us achieve our goals. While I am a leader that has a vision, I am someone that looks to trust those around me to lead as they see fit. I intend to keep that legacy of leadership going and help prepare others for promotion in the future.

If you think this might be of interest, please do read more in the full job description. I would also welcome the chance to speak to anyone who would like to arrange a call with me. This is an exciting project, and anyone who is interested really needs to understand what we are doing in full.

Regards,

**Mr R Ferguson**  
**Headteacher**
