

Tunstall Church of England Primary School... a place where everyone can flourish. Set in the historic village of Tunstall, our modern, spacious school sits within beautiful grounds that inspire learning, play and friendship every day.

Welcome to our school

Our outdoor spaces are alive with activity. Children explore, play, and build friendships that last - whether they're riding, climbing, discovering nature, or simply enjoying being together.

Creativity thrives here. From imaginative play to forest school adventures, our pupils learn through curiosity, exploration and hands-on experiences that spark joy and confidence.

We believe in nurturing a deep connection with the natural world. Our Discovery Curriculum encourages children to think deeply, ask questions and develop a lifelong love of learning.

Inside our classrooms, learning is purposeful, engaging and ambitious. Our dedicated staff create safe environments where every child is known, valued and challenged to achieve their very best.

From the very start of their journey, children experience a rich, nurturing curriculum that blends creativity, early literacy, and play in a warm and welcoming setting.
