Welcome to our school

New Ash Green Primary School is set in a semi-rural village location. We have extensive grounds, including an ancient orchard and woodland walks, four playgrounds and a sports field, all of which enhance our children's learning experience.

We believe that every child should exceed in our school, with their achievements and milestones being recognised and celebrated amongst a caring family environment where home and school work together in partnership. With this ethos underlying our community, we firmly believe that **'Together Everyone Achieves More'**

We are very proud of our Ofsted Report stating, **"everyone works well as a team to provide the VERY BEST for the pupils."** Our school was judged to be **'Good'** with the report highlighting so many areas of strength, including the school is highly ambitious for every pupil in our school.

The combination of our vibrant and exciting passion for education with our calm and nurturing environment makes our school an excellent place for all to learn. We encourage our teachers to be innovative and work together to deliver an inspirational curriculum which is relevant to our children.

At present there are approximately 398 children on roll ranging from 4 – 11 years, organised in 14 classes. We are a thriving school with an amazing team. Staff are supportive and welcoming to new team members.

We take every opportunity to involve parents in the education of their children and encourage them to join the very active and successful PTA.

We expect that you will wish to visit the school and look forward to welcoming you. Please contact the school to arrange this and to clarify any other information.

Thank you for showing interest in our school. It is a fantastic place to work.

Yours faithfully

Mrs Caroline Cain
Executive Headteacher
