Dear Applicant

Welcome to our recruitment advert, and thank you for your interest in the position of Headteacher at Claremont Primary School.

Claremont Primary School is a popular, fully inclusive and highly respected school located in the heart of Tunbridge Wells. With 436 pupils across two forms of entry, the school is consistently oversubscribed and enjoys a strong reputation for excellence. We are fortunate to benefit from extensive outdoor space, including hard-surfaced play areas, playing fields and a woodland area that supports our commitment to outdoor learning and forest school activities. In addition, a wide range of after-school clubs and wraparound care provision enhances the experience of our pupils and their families.

Our staff are dedicated, highly skilled and take great pride in working at Claremont. Alongside our enthusiastic, motivated pupils and their supportive parents and carers, this creates a strong and purposeful school community, driven by a shared vision of educational excellence, innovation and inclusion.

We place great importance on staff development and wellbeing. Through a robust appraisal system, and a well-established middle and senior leadership structure, we ensure that all colleagues are supported to deliver high-quality teaching and learning so that every child can achieve their full potential.

Our Governors bring a wide range of skills and expertise and play an active role in the strategic leadership of the school. Working through a well-structured committee system, they collaborate closely with school leaders to ensure continued success and improvement. The Governing Body is fully committed to supporting the wellbeing of both staff and the Headteacher, recognising the importance of time for professional reflection, development and collaboration.

Our vision is to provide a school that enables and empowers all to ***be confident, be curious and be creative.***
