Dear applicants,

Thank you for taking the time to explore the positions here at the Rowhill School. We welcome you to an awesome place to work and grow.

We are a unique organisation comprising of an all through primary, secondary and Alternative Curriculum Provision and vocation hub on one site.

Our brilliant school has places for 150 children who have social, emotional and mental health (SEMH) needs.

The school is going through a period of innovation, preparing a curriculum fit for the future which enables pupils to build self-efficacy and personal responsibility, while accelerating learning in foundation knowledge, the arts and vocational pathways.

Pupils love coming to school at Rowhill, and despite the challenges they may have faced, school is a place where they feel a sense of belonging and value. We take a team approach to ensure that all our pupils reach their full potential, from quality first teaching, 1:1 tuition, SEND support and therapeutic care our holistic approach enables pupils to thrive.

We welcome applicants from a range of backgrounds, you don't necessarily need to have had experience working in a specialist provision. We are looking for people who are committed to changing the lives of young people; innovators who bring something different and most importantly staff who care deeply about what they do.

We welcome applications from experienced graduate support staff and can offer apprenticeships and professional learning as part of professional development.

Visitors to the school are welcome. We look forward to receiving your application and welcoming you to our schools.

Yours sincerely,
