Our Vision

Growing Stronger Together

A shared purpose to work together to support the young people in all of our schools to *Lead Successful Lives*

Thank you for taking the time to consider this role.

At Endeavour MAT we celebrate the differences between our schools and want them all to continue to improve. Exam results are important, but we go further, helping our students, staff and schools to thrive and to be remarkable. Our culture of working together means that we can achieve more collectively than we could alone, aiming to nurture a balance between autonomy and collaboration.

We actively embrace the challenges we face, and do so with humility, acknowledging that there are always ways in which we can get better. This allows us to work creatively, looking for ways in which we can learn, within and beyond education. Our destination driven focus applies as much to our community of students as it does to our schools and our people.

When the time comes, we want our students to be able to grasp their future with both hands, confidently able to play a full and active role in society and aware of the impact their decisions and actions can have. We strive to ensure students leave school well qualified and with the skills and experiences that will enable them to pave their own way in life. We want our curriculum, teaching and learning and co-curricular programme to be exemplary as we prepare our students to ***Lead Successful Lives***.

We are looking for people to join us who share our vision and want to help us to realise it in the lived experiences of the young people we are so lucky to teach. We value our staff, trust our staff and work to develop you professionally. Our staff are our most important asset and your welfare in the role is a key consideration. If this is the kind of opportunity that interests you, we would be delighted to receive your application.

A previous unspent conviction will not necessarily bar someone from being appointed; the specific nature and date of the conviction will be taken into account.

Safeguarding underpins the work we do within the Trust and as such we provide appropriate induction support to all appointed staff and promote vigilance at all times.
