Welcome

Welcome to Swale Academies Trust

A message from Gavin Bailey, Chief Finance and Operations Officer (Interim):

Thank you in your interest in this role within the Central Support Services Team at Swale Academies Trust.

The central team is pivotal to the successful running of the organisation and is focused on supporting the improvement of educational standards in all of our schools. All of the work carried out by the Central Support Services Team is in relation to the non-teaching and learning aspects of running a school. The vital work your new role entails allows Headteachers and school-based staff to focus on teaching and learning and improving student outcomes.

As CFOO, my role is to provide strategic oversight of operational services across all of our schools. The central team is well-established with an excellent track record of delivering improvement and value for money, and we continue to develop new ways of working to ensure we can effectively respond to the needs of each of our schools and continuously improve the support we offer.

We look forward to receiving your application to join our organisation at this exciting time.

Gavin Bailey
