- ***Are you passionate about making a difference in the lives of young people?***
- ***Do you want to be a part of a values led, driven and innovative team developing the UK's first secure school?***

We are offering an exciting opportunity for someone with practical cleaning skills and experience in cleaning and facilities industry to join a dedicated team of Cleaning Operatives at Oasis Restore, the first secure school in England. Oasis Restore represents a revolution in youth justice: an opportunity for children within the criminal justice system to experience a restorative environment that creates the potential for them to thrive in the future. We have dual registered as a 16-19 Academy and Secure Children's Home.

The role and what we are looking for?

As part of the facilities team, your primary responsibility will be to uphold the highest professional standards while assisting your fellow cleaning operatives and the Soft Services Manager in maintaining a clean, safe and welcoming environment. You will ensure compliance with the relevant regulations, perform routine and ad-hoc cleaning tasks, and support various property and estate functions where required.

Your role also includes safeguarding the site during adverse weather conditions and contributing to a collaborative and purposeful atmosphere, including offering occasional supervision to volunteers / students seeking practical experience.

Additionally, you will serve as a key contact point for housekeeping-related property and estate matters at Oasis Restore, providing essential support to the Principal Director, Oasis Restore staff, and external service providers.

The role exists within a secure academy trust, benefiting from the organisational learning in governance and leadership within a national academy trust. This role reports to the Facilities Manager who has responsibility for the school's maintenance and standards related to site and operations.

You and the team will work to support a team of specialists within education, care, and health and you will attend to all aspects of cleaning at Oasis Restore to ensure we achieve the highest quality standards in the Children's Homes Regulations and Guidance, the Social Care Common Inspection Framework and health and safety.

These beliefs and values are underpinned by decades of work and experience that Oasis has had in a wide range of sectors including education, housing and youth-work supported further by a wide range of independent research and studies elsewhere which evidence that creating teams with diverse experience and perspectives, and encouraging healthy debate, reduces the risk of 'blind spots' that often form barriers to success.

Oasis Restore aim is to attract and retain the very best diverse talent and role models to help create an innovative, caring and extraordinary working environment for our staff, that enables us to deliver exceptional, caring and psychologically informed learning experience for our students. We would therefore like to encourage applications from people with varied skillsets, life experiences, and from different backgrounds and sectors to help shape Oasis Restore.
