Background information on Dover College for applicants

The College was founded in 1871 by local businessmen as a school principally for the local children. It has since developed an international pupil base. Dover College was one of the first schools considered a “Public School” as evidenced by its inclusion amongst only twenty-five other such schools in the first edition of the Public Schools’ Yearbook published in 1889. The College maintains the original characteristics of its inception – a school which caters not only for a broad range (both academically and socially) of local pupils, keeping its fees affordable to achieve this, but also for a significant minority of pupils from overseas. It is a school with an ethos based in regular worship in Church of England traditions, reinforcing the ethos of friendliness and openness which is very much part of the value of a Dover College education. Dover College has nearly always had a Junior School of some description, first at Westmount on the Folkestone Road and more recently opening a new Junior Department in 2001 and in 2011 opening on the same site as the senior school when it was re-name ‘The Junior School’.

We are very much a family school, catering for pupils from age 3 to 18. Many of our pupils have siblings at the College, and in some cases their parents were here too. Pupils and parents are very loyal and supportive of ‘their’ school. We have a reputation for outstanding pastoral care and as a result pupils are remarkably tolerant and understanding of one another. It is important to us that every child is valued within our community. Good academic results are not enough: we seek to provide young people with the necessary skills and self-confidence to become well-rounded, balanced adults who will make a positive contribution to those around them. We expect pupils and staff to be sympathetic to our Christian ethos and values, although we welcome those of other faiths too.

Our curriculum, which is currently undergoing a root-and-branch review as part of the College’s development plan, Project 150, is creative, well planned, wide ranging and enriching. Its balance and focus on individual development, helps us to stimulate an enquiring mind, establishing key skills

and a wealth of experience in our pupils that will be of great benefit to them for the future. The College gains outstanding results at A Level and BTEC with excellent value-added results at GCSE.

We understand that a well-rounded education is about more than what happens in the classroom or on the sports field, and that’s why we offer and encourage our pupils to participate in a wide variety of outstanding extra-curricular opportunities. Dover College enjoys an excellent reputation for a broad range of sport, games and other activities and opportunities. We seek to stretch the most able, whilst providing opportunities for all pupils to undertake an activities programme, which aims to provide them with enjoyment, confidence, skills and fulfilment.

Music forms a pivotal role in all that we do, and the school has a choir and music school which encourages pupils to express themselves through music. We offer after-school care for day pupils until 5.30pm and work hard to ensure that our boarders are given all the opportunities they need to have experiences which are full and varied. We believe that providing such opportunities helps to develop self-esteem and encourages important life skills such as leadership, teamwork, commitment and determination, as well as cultivating a sense of duty and understanding of others. What happens outside the classroom also has a positive spin-off in lesson time, helping to engender an ethos of mutual respect between teachers and pupils. The successful candidate will be expected to make a contribution to current activities and initiatives, as well as developing new ones.

Candidates are encouraged to clearly celebrate their conventional, and unconventional, interests on their application. Appointments will be made subject to a full DBS check and the receipt of satisfactory references.

About Dover College

Dover College is one of the UK's leading independent co-educational day and boarding Colleges catering for children from the ages of 3 to 18. Our pupils originate from both the local area and from abroad and the College is proud that of its inclusive ethos. Located in beautiful surroundings in the heart of Dover, the College is entering an exciting phase of development and each employee will play a part in helping the College meet its development plan.

Information about Dover and Kent

Dover College is situated at the gateway to Europe in what is arguably one of the most beautiful and undiscovered parts of the UK. An hour by fast train to London and with direct access to the UK motorway system, Kent is a beautiful place to live. Dover town is going through an exciting period of regenerations, and the College is intrinsically involved in this process. In Dover, the White Cliffs provide breath-taking walks along a cliff-backed beach or a cliff-top trail to the South Foreland Lighthouse, the National Trust Visitor Centre and Samphire Hoe.

Overlooking the Port of Dover, Dover Castle is alive with vibrant furnishings, every day artefacts and costumed actors. The audio-visual displays of the castle's Secret Wartime Tunnels evoke an underground hospital and the retreat from Dunkirk. Meanwhile, the Dover Museum provides a new twist on cross-channel ferries; a 3000-year-old, sea-going Bronze Age boat.

In Deal, 20 minutes north of Dover, you can find a town of immense charm, a high street to compete with London, mazy smugglers' lanes and independent shops. Buzzing cafes and pubs sit alongside a photogenic seafront that's home to a sweeping pier and quirky maritime clock, the Timeball Tower.

Sandwich is a further 10 minutes' drive, filled with medieval architecture and boarding some of the best-preserved half-timbered houses in the country. Traditions linger too: listen out for the tolling of the curfew bell every night at 8pm. The Secret Gardens of Sandwich provide fragrance, tranquillity, a Lutyens house and Gertrude Jekyll design.

The strip of Kent is home to some truly great golf. Royal St. George's hosted the 2011 Open Golf Championships, while Kingsdown and Walmer is a

challenging down land course. For two more testing links courses head to the Royal Cinque

Ports of Prince's Golf Club; it also offers top-notch food at The Brasserie on the Bay and sleek rooms in The Lodge.
