Introduction

Endeavour MAT is a newly formed Trust (01.04.17), which currently comprises Wilmington Grammar School for Girls (WGSG), Wilmington Grammar School for Boys (WGSB) and is the Trust chosen to open the brand-new Stone Lodge School in Dartford. I am pleased to say that the new school is already heavily oversubscribed for Year 7 in its opening year, September 2019. Endeavour has high ambitions for Stone Lodge to work across phases and Stone lodge allows us to have representation in both the selective and non-selective sectors.

We are committed to enhance the real-world opportunities of all our students and consequently have developed close working relationships with sponsor organisations such as Laing O’ Rourke, Aecom and Whitecode Design and Engineering Consultants Ltd and we continue to seek others. Our aim is to ensure that in addition to acquiring first class academic qualifications, students also graduate from our schools with the skill set and emotional resilience to succeed in all areas of their life.

WGSG is the lead school in the North West Kent Teaching School Alliance (NWK TSA) and has an outstanding reputation for the provision of continuous professional development, both for the Trust’s staff and for other schools in the Teaching School Alliance. WGSB has Specialist Leaders in Education in maths and English who contribute to the work of NWK TSA.

This is an extraordinarily exciting time to be joining a forward-thinking team and you will work under the guidance of Donna Lodge, Executive Head Teacher and National Leader in Education. For more information about the Trust and Stone Lodge School please visit www.endeavour-mat.co.uk, and www.stonelodgeschool.co.uk .

I look forward to meeting you.

The Post

Stone Lodge School is seeking a Lead Coordinator for Art, Design and Technology to lead this curriculum area in our brand new, co-educational community school from September 2019. There is surely no better time to impact on Stone Lodge School as it begins its lifecycle and the ideal candidate will be keen to grow subject areas with innovative curriculums, exceptional teaching and learning, highly effective assessment methodology and a high performing learning culture. The school will offer a broad and balanced curriculum with making this particular role both exciting and important. We expect to join the two established partner Grammar schools within Endeavour MAT in securing an excellent track record with GCSE results, as new students move towards Key Stage 4.

The school has proved to be very popular, with very high numbers of applications for the inaugural Year 7 intake for September 2019.

The ideal candidate will be passionate about the Art, Design and Technology curriculum and how these disciplines can be taught in an inspiring way to maximise exam success, spark students' passion for the subjects, and to help students to lead successful future lives. They will be able to evidence a history of high impact in teaching, learning and curriculum excellence, to support strong outcomes and learning experiences across the Art, Design and Technology disciplines.
