

**PERSON SPECIFICATION  
CLEANER**

The post holder should be reliable and conscientious, taking a pride in the appearance of the school. The individual should be a team player willing to cover for others and be flexible when asked to work in different areas or to assist the site staff during special school events. The site is a large one spread over several levels and applicants should feel confident in their ability to undertake the cleaning duties involved.

The school is a pleasant environment to work in. All colleagues are valued for their personal contribution to the school and our cleaners are friendly and approachable with a good sense of humour. Previous experience would be useful and the post holder should be willing to train in the use of a buffing machine.
