Dear Applicant

Headteacher of Barton Court Grammar School

Welcome to the application process for the post of Headteacher at Barton Court Grammar School (BCGS). I am immensely proud to be the Executive Headteacher of all the schools within Barton Court Academy Trust. Each one serves a diverse community and offers a unique career opportunity. At BCGS I am particularly proud of the efforts and energy my colleagues make every day to provide the highest quality of education that pupils deserve. The dedication and determination exhibited by our staff across the Trust humbles me daily and our collaboration in pursuit of excellence in our work is exciting. We are a small Trust, but as we have grown our ambition of what we can achieve has grown with us. Our lead school BCGS is an outstanding co-educational 11-18 school and continues to offer support, collaboration and respect to all other schools within the Trust.

We seek to appoint a Headteacher who will champion our pupils, and continue to deliver high academic standards within a very caring and supportive school community. Our focus is on achieving excellence in all that we do to support outstanding outcomes for all our students. This is evident in the way our community of students, parents, staff and governors all work together to provide an engaging learning environment so that each student thrives and achieves their full potential.

Academic excellence is at the heart of our school, but we equally nurture creativity, personal and physical development, independence and inquiring minds. All students are treated as individuals, and there can be no single pathway that all must be compelled to tread. Consequently, our intention has been to build an appropriate curriculum that will draw upon the raw talent and energy that each child brings. We need a school leader who is dedicated, driven and passionate but also approachable and compassionate who recognises that high expectations, clarity of vision and diligence are necessary in a successful leader.

Please read our website (www.bartoncourt.org), or visit us so you can make an informed decision having seen us in action. If invited to interview you will find we are open and transparent so that you have a thorough insight into what constitutes being Headteacher at BCGS.

It is a dynamic school and it is a place for enthusiasts who believe that all things are possible. The Secondary phase is a new beginning for pupils and a place where professions can thrive.

We are committed to building people's careers at BCAT and establishing sustainable opportunities for staff development. We will ensure the successful candidate has an effective and bespoke induction process and will receive full support from me, Senior Leaders and the Local Governing Body.

If any matters regarding the application are unclear please contact us via email kcardus@bartoncourt.org or by telephone on 01227 464600. Please submit your application at the earliest convenient moment; we look at all applications as they arrive and reserve the right to progress them at any stage.

I hope that the quality of your application leads to an interview and thus gives us the opportunity to share our School with you.

Best wishes

Kirstin Cardus

In the Sixth Form students choose from a wide range of A Level courses and a small, but highly successful and appropriate, number of vocational courses.

The School is an Advanced "Thinking School". We have placed Thinking at the heart of our learning & teaching and we are developing a common visual language of Thinking Tools to enable our students to become independent, confident, thoughtful, life-long learners. We believe that Thinking students will be successful in their learning and life beyond Barton Court

Time is being well spent on developing opportunities for our students to take on leadership roles within the School, to not only improve their leadership skills and confidence, but allow students to work in productive teams, take on more responsibility and work together for the benefit of each other, our school and local community.

Student Voice and the House events have developed further under this new student leadership structure ensuring that students feel listened to, valued and able to contribute to their school.
