Do you have the desire and a passion to give our children the very best possible learning experience? You will work in a highly supportive environment, which is innovative, engaging and full of laughter. The children want to hear your ideas – come and visit us!

Barnsole’s Head Boy and Head Girl, on behalf of the children, say:

“We are looking for a patient teacher who will create the best learning experience possible. You will help us and teach fun lessons. It is important that you are a good role model who will inspire the future children. You must make sure that children’s voices are heard. You need to be kind-hearted, funny and entertaining whilst doing a serious job. You need to laugh and not be boring because this makes us want to come back! You need to laugh at your own mistakes. You should be leaders and follow our school values.”
