Pierview Academy is on a journey to become a “Good” school. This is an exciting time as we are growing both in numbers of learners and in our positive reputation.

Pierview Academy provides continuity in learning for pupils with Education, Health and Care Plans. We are a short, medium and long-term provision for learners on the autistic spectrum or who have other special educational needs and challenging behaviour. We cater for young people in their secondary and post-16 school years. The overarching purpose of our provision is to work with learners so that they are able to overcome the barriers to learning that they have previously encountered. We aim to offer flexible, structured and supportive needs led approaches.

We are looking for an Assistant Head Teacher who will deputise for the Head Teacher in their absence and support the Head Teacher in providing professional leadership for this school that secures its success and improvement, ensuring high quality education for all its learners and improved standards of learning and achievement. They will guide the school’s teachers, tutors and LSA’s to ensure successful teaching and learning in relation to the school’s Curriculum Policy.
