Letter from Jon Whitcombe – Trust Principal

Dear Applicant,

Thank you for your interest in this role within Swale Academies Trust.

Since its creation in September 2010 Swale Academies Trust has become a strong and successful school improvement service, specialising in taking schools in Ofsted category and turning them into good schools. A glance at our most recent Ofsted reports will point to the effectiveness of the Trust in bringing about change and providing and enabling excellent leadership. First and foremost, Swale Academies Trust is about the provision and development of high quality leadership and management.

We don't seek to clone schools that deliver education in a regimented manner. Rather, we value the development in our schools of a spirit of enquiry and action research that provides the best possible education that is right for pupils in a local setting. We do, however, collectively value and strive for all pupils to produce work which showcases their development over time of which they, their teachers and support staff and parents can be really proud.

Our ambition is driven by enabling schools and children to succeed. We have a wide range of excellent and highly accomplished senior leaders who lead with a sense of purpose, charisma and a set of shared values. The Trust is fortunate to be overseen by a Board of Directors who share leaders' values and who provide the highest quality challenge and support.

We are proud of our schools and strive for a sense of shared pride in the achievements of all of our students.

We look forward to receiving your application.

Yours sincerely,

Swale Academies Trust

The Swale Academies Trust based in Kent came into being in September 2010 as one of the first few Academy Converter Schools based around Westlands School in Sittingbourne. As a National Support School and an Academy Sponsor, Westlands and Swale Academies Trust have developed into one of the South East's leading Academy Sponsors, currently consisting of five secondary schools and ten primary schools. The Trust provides support for other schools, located in Kent and East Sussex.

As the Trust has grown and developed we continue to ensure that effective school support and leadership is maintained. Most of the schools that join us have had inherent weaknesses and challenges that need to be addressed. This involves intensive support and considerable levels of experience and intervention. The Trust's approach to school improvement is based on a combination of CPD, capacity building and collaboration, with a relentless focus on teaching and pupil progress, in order to effect rapid and sustained improvements in outcomes for young people.

Extract from Safeguarding Policy

Introduction and Ethos

Swale Academies Trust is a community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. All schools within the Trust recognise their moral and statutory responsibility to safeguard and promote the welfare of all children.

Trust Schools recognise the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

The Trust core safeguarding principles are:

- It is a whole school responsibility to safeguard and promote the welfare of children
- All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection
- All children have a right to be heard and to have their wishes and feelings taken into account
- All staff understand safe professional practice and adhere to our code of conduct and other associated policies
- All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance

There are four main elements to our safeguarding policy:

- Prevention (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures)
- Protection (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns)
- Support (for all pupils, parents and staff, and where appropriate specific intervention for those who may be at risk of harm)
- Working with parents and other agencies (to ensure appropriate communications and actions are undertaken)

The procedures contained in this policy apply to all staff and governors and are consistent with those of Kent Safeguarding Children Board (KSCB).
