## About Us

Weald of Kent is a selective Girls' Grammar School for 11-18 year olds with a roll of approximately 1800 students including our co-educational Sixth Form. The school is one of the highest performing schools in the country. We aspire to excel at everything we do. Owing to our continued success we are thrilled to have been given permission by the Secretary of State to expand and mirror what we deliver at our Tonbridge campus in a campus at Sevenoaks, which opened in September 2017. In addition to the exciting new facilities, we have also invested in our Tonbridge campus which now has a state of the art Sports Hall and university style Sixth Form Study Centre with a new science block being built this year. Both campuses are situated in beautiful rural settings with far reaching views across the Garden of England with excellent transport links.

## Results

We are, once again, exceptionally proud of the magnificent performance that has led to some wonderful results both at GCSE and A Level. Our examinations data from 2019 records the average GCSE grade was above a Grade 7 and our Progress 8 was well above average at 0.95. We also enjoyed superb A Level results with 67% of our students achieving A\*-B grades in 2019. The average was a Grade B and our Level 3 value added was above average at 0.12. Our aim is for students to achieve high academic results whilst still affording them a platform to extend their personal qualities, talents and interests. Result statistics were not published for the 2020 cohort.

## Staff Development Opportunities

We are passionate about staff development. Individual Development Plans are tailored to help and support staff in new positions, existing posts and preparation for promotion. A whole range of developmental and capacity building training is available, supporting staff to develop their skills and professionalism. This includes opportunities such as:

- A personalised induction programme
- CPD days and a range of workshops
- Performance development programme
- Mentoring-Coaching programme
- Relevant external courses and training

## The Team

Cover Supervisors are an essential part of any team within the school. They both cover lessons at short notice and from time-to-time take on longer cover assignments. They have to confidently carry out lessons which cover the entire curriculum, from English to Science and Music to DT. Cover Supervisors need to be able to work closely with the Heads of Departments, who must ensure that the Cover Supervisor has sufficient information to deliver the lesson and make the experience meaningful for the students

The role of the Cover Supervisor involves the supervision of pupils in learning activities, ensuring that the learning objectives set by the teacher are achieved and that good behaviour by the students is maintained throughout lessons. Appropriate records are to be maintained as required; enabling accurate feedback to be given to the teachers and pupils on the conduct of the lessons. Cover Supervisors provide support for the Student Services and Administration teams when they are not covering lessons.
