

Are you looking for a new challenge or interest?

The Governing body of The Discovery School is seeking an enthusiastic and committed volunteer to join our outstanding team.

At The Discovery School:

- 🍎 We aim to provide an outstanding education that develops happy, resilient and confident children.
- 🍎 We are committed to enabling our children to achieve their full potential; academically, creatively and socially.
- 🍎 We want our children to be aspirational and to have the self-confidence needed to exceed their own personal best.
- 🍎 We believe that every child is a unique individual with a skill to be nurtured; potential is without limits.

We don't expect you to be an expert in education or knowledgeable about governance - we welcome volunteers from all walks of life. We are particularly interested in hearing from anyone with an interest, skills, experience or understanding in any of the following areas:

- 1. Local community/business links**
- 2. Experience of procurement/purchasing**
- 3. Experience of Human Resource policies and process**

We encourage applications from all members of society, regardless of background, gender, ethnicity, disability, or age (as long as you're over 18) and look forward to hearing from you.
