

# GOVERNOR VACANCY

## Join our Team, become a Champion

(and maybe even a superhero!)

*“Every child deserves a champion – an adult who will never ever give up on them, someone who understands the power of education and strives to ensure that every child will become the best they can possibly be.” Rita Pierson, Educator*

The Galaxy Trust is a multi-academy Trust comprising three fantastic primary schools in Dartford (Oakfield, Temple Hill and West Hill) and we are currently recruiting for Governors at each school. Each of our schools has its own unique character but all subscribe to the Trust’s values of Respect, Responsibility and Equality.

The Galaxy Trust provides:

-  A **Galaxy Class** experience for all pupils
-  An **Out of this world partnership** where parents and carers are cherished.
-  All staff **stellar opportunities** for development.
-  A **universal** offer of support and partnership-working for others is respected.
-  Productive partnerships, rigorous challenge and laser sharp values define the essence of our **Mission**.

*“Governance has never been more critical to the education of our nation’s young people.”*

*Baroness Elizabeth Berridge, Parliamentary Under Secretary of State for Schools, October 2020*

The coronavirus outbreak brought out the best in every single member of our highly dedicated team of staff and our parents/carers who have high aspirations for their children. We are looking to appoint Governors to work collaboratively with our Senior Leaders to address the challenge of getting our children “back on track” with their learning. You do not need any special qualifications, we just want you to bring a real passion for supporting every child to achieve and succeed. We encourage applications from all members of society, regardless of background, culture, gender, ethnicity, disability, or age (as long as you are over 18) and we really do look forward to hearing from you.
