8am - 4pm Friday

Kent Scheme Salaries 5: £19,335 - £20,483 per annum

We are seeking an enthusiastic, dynamic and innovative colleague to join our team of committed professionals. The post could suit a recently qualified graduate or someone with previous experience in a customer service driven IT environment. The core purpose of this post is to work within the Systems Department to ensure the smooth day-to-day running of the school's IT and related systems as well as providing a high level of technical support to colleagues, students and other members of the school community. We are an innovative and forward thinking school that strives to use technology to enhance the education of our students.

The successful candidate will provide end-user support through a logical approach to problem solving and will assist in the delivery of projects within the department. Candidates will be educated to degree level or will have an equivalent qualification in a computing related subject or equivalent experience.

Maidstone Grammar School for Girls is a very successful selective girls' school of 1220 students with a mixed sixth form of approximately 340. Since July 2019 we have been appointed by the Department for Education as a Computing Hub in recognition of the expertise the school has evidenced in Computing Education and will take a lead in training teachers across the south east in the delivery of Computing. The post offers the opportunity to work with intellectually able young people in a supportive and friendly environment. Staff benefits include strong support for professional development, annual leave entitlement and healthcare scheme.

“Maidstone Grammar School for Girls is an outstanding school” (Ofsted)
