

Teacher of Modern Foreign Languages (French & Spanish)

"We show love and compassion for others by truly helping them, and not merely talking about it."

1 John 3:18

We are committed to excellence. We believe in choice.

Our mission is to make sure that all children, regardless of their background, receive a great education that lead to real choices in life.

Our staff are committed to our pupils and students and know the importance of delivering an exceptional standard of education.

Our pupils and students value learning, they are committed to their studies and always give their best. We expect every John Wallis student to graduate from our Academy with the qualifications, skills and confidence to achieve their ambitions and go on to higher education or their chosen career.

Our Distinctive Christian Vision

We are a proud to be Church of England Academy. We serve children of all faith and those with none.

Our Christian values are embedded within the heart and soul of our Academy. They are central to everything we do. Based on the teachings of Jesus, and the stories he told, our school community follow his example in treating everybody as an individual. Our Bible verse provides a living example for how we choose to live our lives. "We show love and compassion for others by truly helping them, and not merely talking about it."

In judging others by their deeds, not their words. In being, rather than seeming.

Jesus said "I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life." (John 8:12)

Our Christian values of 'Love, Integrity, Generosity, Hope and Tolerance' (LIGHT) are all taught explicitly. They are a vehicle for delivering our school vision and provide a framework for how we at strive to behave each day. We do not simply talk about excellence; we are committed to it.

A message from the Principal

As a Church of England Academy we are inclusive of all regardless of creed, colour, race, gender, sexual orientation or ability. We hope to transform the lives of our pupils and students and our wider community by putting our core values of love, integrity, generosity, hope and tolerance (LIGHT) into action. As such, all should feel welcome and respected. Schools are, in part, measured by academic success. Pupils and students know this. We must help and enable each pupil and student to succeed to the best of their ability by providing high quality lessons and an appropriate curriculum for our pupils and students.
