## TEACHER OF Business and Economics – SEPTEMBER 2021

### The Department:

The Business and Economics Department consists of 3 full time members of staff and one part time member of staff. We are a progressive, innovative and supportive department where we share ideas and learn from each other and work together to give students the best experience in the subjects. We are looking for a new member of staff due to the success of the department and a large increase in uptake of students wanting to take the courses.

In the sixth form, both Business and Economics are popular subjects at A Level. Business students follow the AQA syllabus and Economics students follow the Edexcel syllabus. Each year there have been students who have gone on to university to take degrees in both subjects. As a department we have had great success in supporting our students when applying for and gaining apprenticeships in large multinational companies such as PWC Grant Thornton, Mace and Tfl. We have also seen some Economics students be successfully placed in Economics apprenticeships with the Government

At GCSE level, both subjects are popular with on average 3 classes of Business and 2 classes of Economics. Students follow the AQA business specification and in Economics it is OCR. Many students opt to take either Business or Economics or both subjects to A level and we are confident that this will continue.

Department students are expected to be motivated and enthusiastic and this is reflected in the teaching of both subjects across all year groups. Various extra-curricular activities are offered such as participation in national competitions with: The Inspirational Learning Group, Young Enterprise, Student Investor, RES and ICAEW.

We would like the candidate to be as passionate about the subjects as we are and add to our growing department with energy and a positive outlook for their teaching, the department and our school.

If you wish to apply for the post, we would be very grateful if you would complete the application form and return this to the school to [HR@rmgs.org.uk](mailto:HR@rmgs.org.uk)

Thank you for your interest.
