

Could you be our next Family Liaison Officer?

Come and work with our amazing children, families, staff and governors.

Holy Trinity & St. John's CEP School is a large primary school serving the central area of the coastal town of Margate.

The size of the school offers many advantages as we are able to offer a wide range of opportunities and have a number of specialist teachers and support staff in our employment.

8:00am – 4:00pm

35 hours per week

Kent Range 6

Start date: As soon as possible (we will wait for the right candidate)

We have a strong sense of family within the school community which is reinforced by our House System and close links with our parents/carers and PTFA.

We are a happy and safe school, where children and adults genuinely take great care of each other. Holy Trinity is however more than a place of community and friendship. We strive for high standards of behaviour and academic achievement for all children. We encourage initiative and equip our children with a confidence to enable them to feel positive about themselves.

As a Church of England school, we enjoy very good links with the Parish Church of St. John's and the Diocese of Canterbury. At Holy Trinity, the Christian ethos of the school goes far beyond the RE curriculum. In work and play children are given the opportunity to find out about the beliefs and values of other people.

Please see our website that has lots more information about our school, including a virtual tour: <https://www.holytrinitymargate.co.uk/virtual-tour-of-our-school/>
