Thank you for your interest in this role within the Central Support Services Team at Swale Academies Trust. This is an exciting time to be joining the Central Team, which is currently seeing a growth in capacity and expertise. We continue to develop new ways of working to ensure we can effectively respond to the needs of each school within the Trust and continuously improve the support we offer.

The team is pivotal in the successful running of the Trust and is focused on supporting the improvement of educational standards in every school. All of the work carried out by the Central Support Services Team is in relation to non-teaching and learning aspects of running a school, which includes IT, Finance, HR, Procurement, Governance, Projects and Estates.

We want to drive improvement further and faster, developing the efficiency of our schools through shared resources and collective procurement. Effective and efficient use of resources supports teaching and learning across the schools alongside ensuring both the long term viability of individual schools and the sustainable growth and strategic direction of the Trust.

As Chief Operating Officer, I constantly ensure that the services we offer are sustainable to support our future growth and provide strategic oversight of operational services across all schools.

As a team, we offer a high quality service to all of the schools across the Trust. This innovative centralised structure allows Headteachers to focus on teaching and learning.

We encourage our staff to be flexible thinkers with an open-minded approach to change as we continue to expand our successful Multi-Academy Trust. If you are as excited about this as we are and want to join us on our journey, we would be delighted to receive your application.

# SWALE ACADEMIES TRUST SAFEGUARDING POSITION

## Introduction and Ethos

Swale Academies Trust is a community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. All schools within the Trust recognise their moral and statutory responsibility to safeguard and promote the welfare of all children.

Trust Schools recognise the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

The Trust core safeguarding principles are:

- It is a whole school responsibility to safeguard and promote the welfare of children
- All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection
- All children have a right to be heard and to have their wishes and feelings taken into account
- All staff understand safe professional practice and adhere to our code of conduct and other associated policies
- All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance

There are four main elements to our safeguarding policy:

- Prevention (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures)
- Protection (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns)
- Support (for all pupils, parents and staff, and where appropriate specific intervention for those who may be at risk of harm)
- Working with parents and other agencies (to ensure appropriate communications and actions are undertaken)

The procedures contained in our policy apply to all staff and governors and are consistent with those of each school's local safeguarding boards.

## **Retention of information**

All information is stored securely and any information supplied by unsuccessful candidates will be destroyed through the confidential waste system after six months from the date of the interview, in accordance with our retention of records procedure.
