Letter from Jon Whitcombe – Trust Principal

Dear Applicant,

Thank you for your interest in this role within Swale Academies Trust. Swale Academies Trust is one of the leading Multi-Academy Trusts in the south east with a highly effective record in school improvement. We are currently looking for outstanding leaders and teachers to join us as we grow. Swale Academies Trust consists of a group of seventeen primary and secondary schools based in Kent, East Sussex and South London. We are also working with a number of schools who require support prior to joining the Trust. We have a very strong track record in school improvement and are looking for dynamic people who want to transform children's lives in some of the most challenging educational contexts in the region.

We are looking for ambitious professionals who are interested in working with pupils from diverse communities in some of the region's most challenging schools. We want energetic, inspiring classroom practitioners who are highly motivated and committed to the profession. We recognise the importance of a well-ordered teaching environment for staff to flourish. Parents and teachers provide regular positive feedback about our work to create a positive climate for learning. As a result, Ofsted visits identify pupils' conduct as a strength across the Trust. We want teachers who are keen to make a positive difference to children's lives, are proud of the students they teach, the work they produce and share this pride in the achievements of all.

Our salary package, continued professional development and additional benefits are some of the best in the sector. We invest in our staff at every level with a wide range of coaching programmes, delivered across our schools, including Westlands, the Trust Teaching school. We also work closely with a number of external partners such as the University of Kent to support leadership development across our family of schools. All of our schools are unique and reflect the communities they serve but they work closely together to support each other and collaborate to raise standards. Teachers identify the well-structured collaboration as a key factor in improving their practice but also improving their work-life balance.

Since its creation in September 2010, Swale Academies Trust has become a strong and successful school improvement service, specialising in taking schools in Ofsted category and turning them into good schools. A glance at the most recent Ofsted reports for Beaver Green Primary School, South Borough Primary School, Meopham School, Regis Manor Primary School, Westlands Primary School, Istead Rise Primary School and The Sittingbourne School, will all point to the effectiveness of the Trust in bringing about change and providing and enabling excellent leadership. First and foremost, Swale Academies Trust is about the provision and development of high quality leadership and management.

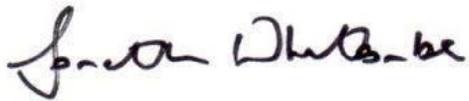

Our ambition is driven by enabling schools and children to succeed. We have a wide range of excellent and highly accomplished senior leaders who lead with a sense of purpose, charisma and a set of shared

values. The Trust is fortunate to be overseen by a Board of Directors who share leaders' values and provide the highest quality challenge and support.

We are proud of our schools and strive for a sense of shared pride in the achievements of all of our students.

We look forward to receiving your application.

Yours sincerely,

SWALE ACADEMIES TRUST SAFEGUARDING POSITION

Introduction and Ethos

Swale Academies Trust is a community and all those directly connected (staff, governors, parents, families and pupils) have an essential role to play in making it safe and secure. All schools within the Trust recognise their moral and statutory responsibility to safeguard and promote the welfare of all children.

Trust Schools recognise the importance of providing an ethos and environment within school that will help children to feel safe, secure and respected; encourage them to talk openly; and enable them to feel confident that they will be listened to. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children receive effective support, protection and justice.

The Trust core safeguarding principles are:

- It is a whole school responsibility to safeguard and promote the welfare of children
- All children (defined as those up to the age of 18) regardless of age, gender, ability, culture, race, language, religion or sexual identity, have equal rights to protection
- All children have a right to be heard and to have their wishes and feelings taken into account
- All staff understand safe professional practice and adhere to our code of conduct and other associated policies
- All staff have a responsibility to recognise vulnerability in children and act on any concern in accordance with this guidance

There are four main elements to our safeguarding policy:

- Prevention (e.g. positive, supportive, safe school culture, curriculum and pastoral opportunities for children, safer recruitment procedures)
- Protection (by following the agreed procedures, ensuring all staff are trained and supported to respond appropriately and sensitively to safeguarding concerns)
- Support (for all pupils, parents and staff, and where appropriate specific intervention for those who may be at risk of harm)
- Working with parents and other agencies (to ensure appropriate communications and actions are undertaken)

The procedures contained in our policy apply to all staff and governors and are consistent with those of each school's local safeguarding boards.
