Deputy Headteacher: Mr L. Pollock BA, (Hons) NPQSL

Dear Applicant

Thank you for your interest in becoming the next Headteacher of Wentworth Primary School. I hope the information provided in the application pack, your review of the school website and our last Ofsted Inspection will give you a flavour of what we have to offer. I will not shy away from saying that we are looking for an exceptional candidate.

Since 2015 our current Headteacher, Paul Langridge, had transformed Wentworth into a vibrant school where it is exciting to learn and just as exciting to teach an innovative curriculum that stimulates and nurtures every child to achieve their full potential. Do you have the vision and leadership skills to enhance and develop that momentum?

Wentworth is a financially sound single academy and governors have not yet been convinced joining a multi academy trust would be the right move for our school. This means that the Headteacher is our Accounting Officer so you will need sound financial skills to work with our very experienced Business Manager.

Professional development at Wentworth ensures all our staff have the opportunity to fulfil their career aspirations whether that is initial teacher training, middle or senior leadership or specific skills for support staff. Governors know that a skilled workforce empowers the individual and supports the Headteacher to lead and manage an effective and efficient school. Do you have the interpersonal skills to seek out and develop individuals for the value they could bring to Wentworth?

Governors look forward to welcoming candidates who have an unwavering passion for teaching and learning within an inclusive and oversubscribed school. Do you have boundless energy to inspire and the resilience to motivate? Can you think creatively about the challenges facing education today and in the future?
