The North School is a large, non-selective school located in central Ashford. We are located only 5 minutes' drive away from Junction 10 of the M20, and are close to Ashford International Station. The school campus is highly attractive, with a blend of well maintained traditional and modern school buildings, and extensive sporting facilities. The school is renowned in the local community for our basketball academy and fully working school farm.

At The North School we recognise that the students are at the centre of the learning experience and that they all come with different needs and abilities, not to mention interests and strengths. We encourage students to achieve personal excellence in everything they do, and to take pride in the progress they make as individuals. We have been recognised as "Good" by Ofsted, and we are now the school of choice for the local community. We are delighted to be oversubscribed throughout key stages 3 and 4, and to have grown a thriving and highly successful Sixth Form which offers an ever-expanding range of A Level and Level 3 BTEC courses.

Leadership across the school is a strength. The school has a highly experienced senior leadership team, which includes two Deputy Headteachers and a team of Assistant Headteachers. In addition, the school benefits from being part of the Swale Academies Trust. The Head of School is supported by an Executive Headteacher, who is an experienced Headteacher who knows The North School well. The school profits greatly from the collaborative support of Swale Academies Trust, whereby close working networks continue to drive improvements of teaching and learning, curriculum development, and school management. We are passionate about all aspects of teaching and learning. We have developed an exciting culture of continuous professional development, and actively seek to celebrate and promote the best practice that exists in the school. Teachers are encouraged to plan collaboratively, both within the school and across the Trust. The school prioritises the development of systems and approaches that both reduce within-school variation as well as unnecessary burdens to teachers' workload.

We offer our students a broad and stimulating curriculum with a sharp focus on literacy and high expectations for all. We are proud of the positive learning culture that exists within the school and we set the bar high on expectations for behaviour and student engagement. We have extensive pastoral systems to support student engagement and wellbeing. Relationships between staff and students are open, friendly and cooperative.

We look forward to welcoming you to The North School and introducing you to our fantastic students and staff.

We are currently looking for outstanding leaders and teachers to join us as we grow. All of our schools are unique and reflect the communities they serve but they work closely together to support each other and collaborate to raise standards. Teachers identify the well-structured collaboration as a key factor in improving their practice but also improving their work-life balance.
